This year's Seniors can turn back to the Stylus of their 1956 Sophomore year and view a similar scene.

Most of the physical changes are apparent: the new pool between the boys' and girls' gyms, the new student-built score-board at the south end of the football field, the new practice fields behind the girls' gym, and the not so visible, but welcome, fresh paint on the trim.

This is the physical progress of two short years — the changes measured in concrete, paint, and steel.

Did the Sophomores of 1956 match this material growth with progress in Scholarship, Sportsmanship, and Service? We think they did! And this is their book to share with future Seniors of Glendale High School as a proud record of a proud year.

# Foreign Language Instructors

Two years of foreign-language study are required for entrance to most universities and colleges. All courses in the foreign language department are elective and credit is given for two years work only. The amount of foreign language required of students by various universities is reduced considerably if a student has taken three or four years of a foreign language in high school. The courses offered at GHS are French, Latin, and Spanish. Many students take their first year of language in junior high school, enabling them to take two years of two different languages while in high school.

Left to right: Language instructors Arthur Osterveen, Glen Henderson, David Gibson, Margaret Sobelle, Naomi Beck, Charlotte Aseltine, Gerald Gallagher, and Mabel Lambert (Department Head).

# Home Economics Instructors

Many interesting and varied courses are offered in the Home Economics department. Clothing I and II are open to all girls and are a prerequisite to Advanced Clothing. Senior Clothing is designed to help senior girls make their clothes for graduation activities. The foods courses offered are Foods I and II and Modern Hostess which is open to junior and senior girls only. Home Management and Home Nursing are also offered.

Taking time out from their many classes are Home Economics teachers Elsie Garrett (Department head), Lucille Anderson, Elva Marshal, and June Arford.

## Commerce Instructors

Students who plan to enter into a business career after leaving school are trained by the Commerce department to become efficient business men and women.

There are two types of courses offered in the Mechanical Arts department: Vocational and Industrial Arts. The vocational courses are intended to train students in specific trades and requires three consecutive hours daily in shop work. The Industrial Arts classes are given as a part of one's general education and require one period per day. Surrounding a metal lathe are our Mechanical Arts Instructors. # English Instructors

Every student is required to take two years of English. Six more semesters of English are available. Seniors who plan to go on to college are advised to take Senior Composition. Journalism and Drama are

elective courses, but they may not be included in the required English credit. The advanced journalism class puts out the school paper twice a month. ## Librarians

Librarians Mary Tye, Daisy Lake (Head librarian), and Ouida Robbins help students find books for collateral reading, book reports, and term papers. A new science fiction collection was donated to the library this year by Bob Oldfield. Magazines and pamphlets are also available to students.

Georgia Woodard (Department head), Josephine Hicks, Minnie Snelson, and Charlotte Anderson, Cosmetology instructors, from left to right, teach students to give facials, manicures, and to set hair. Hair styles and color combinations are also stressed.

## "Of Books - and Pencils -

From books and pencils and microscopes — to baking cakes and pedagogues (to paraphrase the walrus and the carpenter), these things are part of the everyday life at Glendale High. The 125 members of the Glendale High faculty guided over 2,700 students through a diversified curriculum designed to cover vocational, pre-business, and college preparatory interests. More than 80 subjects are offered at GHS — among them Cosmetology, Introduction to the Social Sciences and Modern Culture, courses not offered at any of the other schools in the Glendale Unified School District. This year gifted seniors were given the opportunity to take one course at Glendale College as part of the district's pilot program for superior learners. The students took such courses as mathematics, science, and college English. This is the **real** Glendale High School! Despite many outside activities, our scholastic achievements are the basis for our reputation.

# Honors and Awards

One of these four students will represent Glendale High School when they spend the summer in a foreign country as part of the American Field Service student program. They are from left to right: Sue Williams, Christine D'arc, Peter Rusch, and Bob Wulf.

Jan McDermot, above, won the Betty Crocker Scholarship award when she competed with other girls from GHS in a written examination stressing home economics.

Bill Dawson and Diane Stubblefield were selected as the two outstanding seniors in the area by the Glendale Elks club. They competed with seniors from the two other schools, and, after submitting notebooks about their activities were judged to be the outstanding senior boy and girl in Glendale.

Glendale High School sent these two students to foreign countries as part of the American Field Service exchange student program. Emily Shochat spent the summer in France and Dick Webb lived and went to school in New Zealand for six months.

Talking over their many experiences at conventions this year are Jim Phypers and Bob Mack, delegates to Boys' State; Peter Rusch, who attended the youth and government convention in Sacramento sponsored by the YMCA, and Shirley Godfrey, who represented GHS at Girls' State.

# for Outstanding Students

Eighty-two local scholarships and awards ranging from \$7.50 to \$2,000 were given last year. The awards ranged from medals, books, and typewriters, to bonds, certificates, and a trip to Europe. Twenty-five college scholarships were given ranging from honors at entrance to grants in aid. The scholarship committee begins the screening out process for scholarship applicants in the applicant's junior year. Honors, such as delegates to Girl's and Boy's State and American Field Service exchange students are given in the junior year.

After competing with other seniors in the National Merit Scholarship examination these five students came up with the highest scores in GHS and went on to the state finals. They are from left to right: Don Burnap, Bill Brostoff, Emily Schochat, Jim Danforth, and Gail Winbigler.

Honored by the Bank of America for their high achievements in the various fields of studies were these outstanding seniors. Cup winners, front Row, left to right: Bill Hartman, science and math; Emily Schochat, liberal arts; Betty Slocum, vocational arts; and Gail Winbigler, fine arts. Dear Sandy,

I'm afraid that I can't put into writing what our friendship has meant to us but, I'm going to try.

I don't know whether our Junior year was better than our sophomore one, I guess it was for you, meeting Wayne. Last year was lots of fun the double-dates we went on and the working back-stage was lots of fun. This year though you and Linda got your licenses, and between you, Linda and Gloria we had a ball running around. Remember all the trips to Hollywood after the stunt show and many other activities, we would drag everyone in sight and with Gloria's hot Buick beat everyone too. I'm afraid I've never going to live down that queer bit after we all went to Noogie's, oh well it was an interesting experience.

I remember that night of the Glendale -  
main ~~Hoover~~ Name went you, Wayne, Caster and myself went to Bobs and I turned around and Wayne was trying to show you how to be a Namack. You trying to keep your mind on the necktie, I was hoping that something would develop between you two, but I really didn't have much hope. Wayne just didn't seem to be that interested in girls to know what to do with one if he had one but, boy did I find out different on top of that hill over looking Glendale. (Inquisition Point) Someone sure got inspired and it wasn't me. That was sure fun looking at all the Christmas tree decorations, wasn't it Sandy???

my birthday slumber party sure was fun all the silly poses we got into & my snapping pictures everywhere and then to have a character named Mike Quine love them.

The coke-tail party that Gloria and I had for the backwards dance was so neat, that sure was an original corsage that you made for Wayne. It was so neat going to Don the Beach-corsers after the dance, me in that Big white Cadillac of John and, I felt real wealthy in that. I realized that night that I wasn't any prize package that he was nice but that was all. I know that you and Wayne had fun doubling with Gary and Linda. Some day I hope we can double together like we did when soph.

Believe me I will never forget the night of your slumber party. I should have gone to the dance festival and then I would have never had any problems. It's too bad that Jerry and I didn't work out like you and Wayne, I sure wish it had. But, that's life. With your help I'll get over him if I'm lucky in a couple of years. You have been real sweet about listening to my tales of woe, thanks a million.

I hope that you and Wayne will always be going together and maybe someday getting married. He's a wonderful guy and believe me if you look for a million years you won't find a guy suited for you, like he is. Hold on to that guy you have someone that really understands you, in fact I think <sup>he's</sup> better than I do.

It's been real neat working in the candy store this past year with you. At times we gotten a little mad at each other but patch up in a few hours. I hope we will be working next year and maybe we won't be getting so much dandy, I wish but I doubt if we stop, it's just too much to resist and oh so fascinating. We have been friends for many years now and it's been real great. I think last year we

## "Opening Daze"

Confusion? Not on opening day! Bewildered Sophs, startled by the size of Glendale High, wonder if they'll ever unscramble the room numbers. Juniors and seniors are talking a mile a minute to catch up on the news on summer vacation. There's so much to talk about. Girls inspect each others new clothes while the guys discuss the fine points of their cars. Seeing who is in your classes is always important and newcomers are made welcome. Counselors do a remarkable job at scheduling, but occasionally a surprised and unwilling boy can find himself programmed in a ballet class.

By the second week the necessary program changes have been made, lockers have been assigned, and curiosity about one's locker runs high. After all, one will have to get along with this chap all year. Let's hope this person's nice. Teachers begin to know their students, seating charts are filled out, books issued and homework assigned.

Vacation's over, back to the grind.

Sophs read handbook. Muriel Brown, Phil Thomas and Jenny Sheele, left to right, read the handbook to unscramble their foggy ideas about Glendale's curriculum.

Isn't this the welding shop? Sophomore boys are refused admittance to the girls' gym by Mrs. Patricia Mack, gym teacher.

Where do we go? To answer this question a sign is posted in the halls telling students the room in which they may secure their programs.

Showing him the "ropes"! Mr. Al Hewitt, science department head, wisely counsels Mr. Sam Wernle, a teacher new to Glendale, on how to impress students with the complexity of science.

# "You Are There"

## At the Girls' Stunt Show

Each year at GHS the girls produce the all-girls' Stunt Show for the purpose of introducing new girls to the school and to other students, and to develop class spirit. This year's theme was "You Are There" and the girls had to write, organize, cast and prepare the stage with only the help of their advisors and stage crew.

The theme of the winning Sophomore stunt was "You Are There With Matahari." Their advisor was Miss Jeanette Johnson. The Junior girls produced "You Are There in Constantinople." Their advisor was Mrs. Marjorie Pape. The Senior production of "You Are There in the Gay 20's" was advised by Mrs. Hazel Johnson.

From the winning Sophomore stunt are: Judy Warren, Jean Frazier, Shirley Hendrickson, Sylvia Revelt, and singer, Jayne Paul.

Exploding Senior song and yell leaders, who led their class to victory in spirit are: Barbara Pience, Sharon Whitley, Heather Martin, Joy Hooker and Eloise Whitsell.

Gay blades of the Senior Stunt, "Gay 20's," are: Janice Spong, Larelle Kling, Dianne Morosi, Penny More, Nancy Atsinger, Mardith Naregan, Pat Blanton, Mary Bowers, and Sandra Staley.

# Classes Compete in Speeches, Tableaus and Spirit at the Fiftieth Oratorical

Eyes straight forward, heads erect, hands on knees; a sea of faces above white shirts tensely await the commencement of Glendale High School's 50th Oratorical. The classes compete in three divisions; speech, tableau and spirit. John Robinson, speaking of "The Most Precious Gift" won the speech trophy for the Senior class. Junior speaker Bruce Jones presented "As We Will" and Janice Goodemoot spoke on "The Truth Shall Make You Free" for the Sophomores. The Sophomores entered the winning tableau, shown on the opposite page. Karen Risinger and Paul Beckett spurred the Juniors on to be victorious in the spirit phase. The Seniors were led by Nancy Atsinger and Gary Glava, while Pam Bently and Don Hagen led the Sophomores.

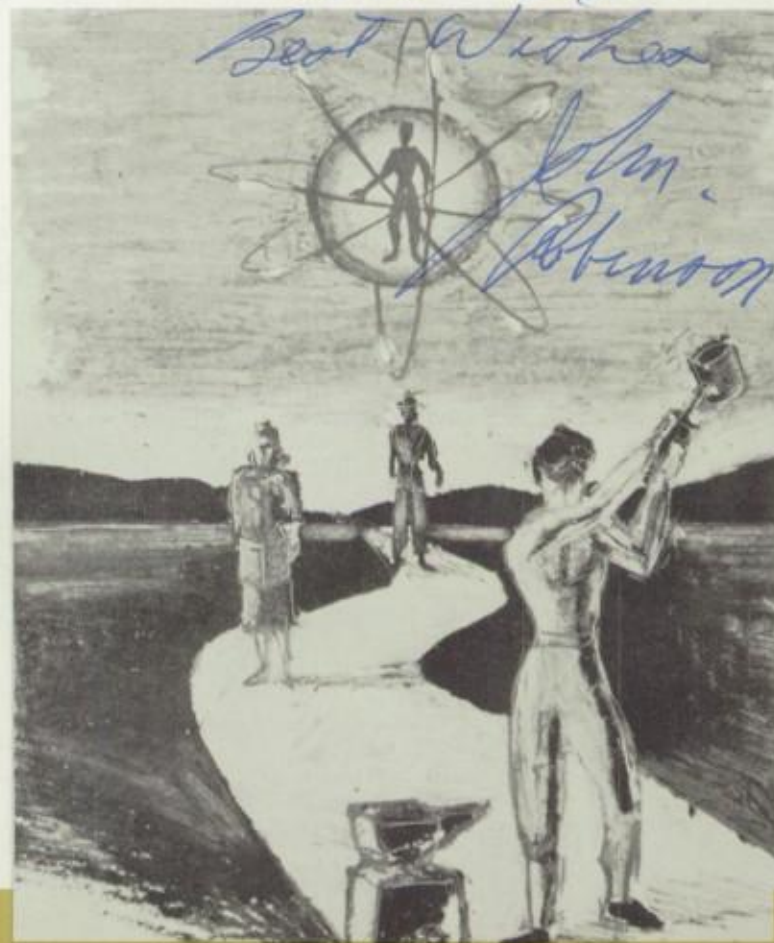

Happy Glendalites rejoice in their accomplishments. This year each class was victorious in one category.

## Liming the "G" by the Pep Club

Twice a year the students at GHS traditionally trudge up the well known "G Hill," a landmark of Glendale. The lime used to coat the "G" was supplied by the Pep Club, and due to transportation difficulty, the lime was taken up by the private Radio Station KHOF, whose transmitter is located on the hilltop.

Left to right: Bob Johnson, Brenda Fortner, Don Beck, Dick Denny, John Sipple, and Mr. A. A. Buonaguidi, were the Pep Club officers and advisor in charge of all Pep Club activities.

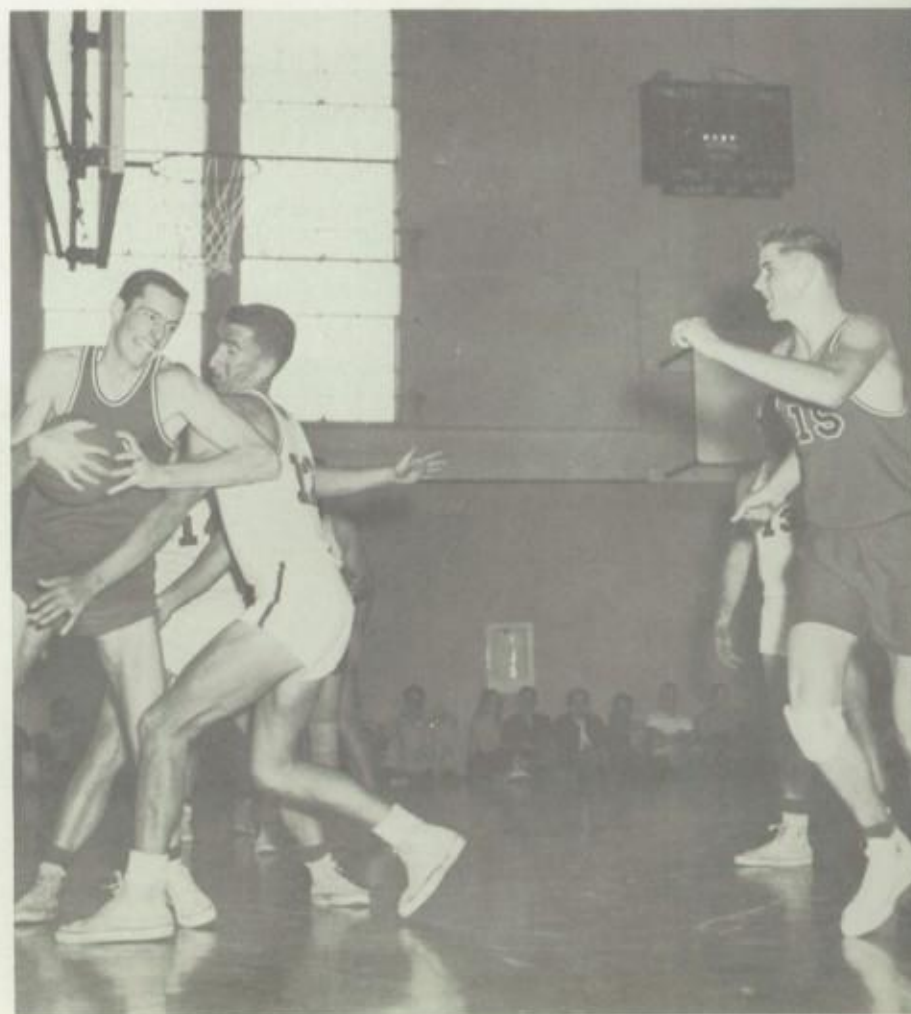

## Varsity Jousts Faculty

The Faculty men this year raised their sights, and played the Glendale Varsity Basketball team rather than the usual senior pick-up team. The faculty won the lunch-time game, by the narrow margin of 20-19. The ten cent admission charge went to the various charities and Foreign Exchange Fund.

Featured here is action typical of the close game. Below, left to right: Bob Hensler, Mr. Bill Gilsinger, Mr. Richard Davis, and (in background) Larry Wessoff and Lewis Stoddard. Pictured to the right are Mike McNeill, Mr. Davis and Tim Vezie.

## at Annual Basketball Game

Sophomores Jaynee Paul, Jim Straton, Roger Dalton, Tom Caddick and Keith Moen, better known as the "Imperials," sang "I Love Paris" and "Sentimental Journey" in the Talent Show this year.

## A Star is Born

Thirteen may seem to be an unlucky number for some superstitious people, but it turned out to be a very lucky day for a few of our own Glendalites, who appeared in this year's annual talent show in March. They were seen by a talent scout and later appeared on a local TV show as a result.

The talent show is presented to the students as a means of entertainment and to give these youths their chance at stardom.

A chorus line of sophomore girls, Kathy Carr, Carol Langstaff, Susie White, Joan Motta, and Celeste Koralon gave Bruce Jones (Director of Assemblies) a warm welcome as Master of Ceremonies of "There's No Business Like Show Business."

"Bali Hai Will Call You" as Junior Connie Sontag weaves an exotic spell as she does a modern dance to strains from "South Pacific."

## At the Talent Show

Peter Rusch as the pianist, Emilio Delgado as Dandy Dan, Ralph Sullivan as Bad Billy, Elza Bergeron as Sizzling Sadie, and John Robinson as the bartender, were the cast members of the Talent Show skit, "And The Piano Played On," written by Peter Rusch.

**Soup's on!** A smorgasbord dinner is served in the cafeteria. Salads of all descriptions, peas, noodles, enchiladas, and cold cuts are among the gourmet's delights.

Aching muscles, muddy jerseys, and hard hours of practice are always included in the average day of a football player. In honor of these grid-iron heroes, the annual football banquet was presented Nov. 26.

Football players, their parents, and coaches, the participants in half time activities, and members of the Board of Education were invited.

Aside from the awards pictured, **Bill Pierce** and **Bob Hensler**, the Dynamiters' two co-captains, were given footballs autographed by the team. Also invited to the event were Glendale's cross-country league champions who were presented with medals, ribbons and gold track shoes.

The football banquet was an evening of awards and recognition for Glendale's athletes who participated in Fall sports.

## Where Cross-Town Rivals Meet Glendale-Hoover Game

Since 1930, Glendale and her cross-town rival, Hoover, have been battling tooth and nail for victory. Glendale won the last two combats bringing the game count to 13-13. This was the tie-breaking game. Excitement ran high as 12,000 fans tensely awaited the commencement of this traditional game held in the Rose Bowl.

The end of the first half saw the score tied at 12-12. This was broken in the third quarter as the Dynamiters gained a 19-12 lead. Glendale finally trampled the Tornados with a 38-12 victory.

Among these are "Fantasia on the Alleluia", by Gordon Jacob, "January, February, March", by Don Gillis, "Madrileñas", by F. M. Torroba, "Suite for Brass", by Leonard Le Bow, "Toccatta for Band" by Frank Erickson, "Navy Log March", by Fred Steiner, "High Tor", by Harry Zimmerman, "Calypso Holiday", by Edward McLin and "Sea Portrait", by Homer La Gassey. Borrowing from the past, the Symphonettes will present Mozart's "Concert in D Major", featuring Louise Di Tulio on the flute, and "Symphony Number Two" by Howard Hanson. ## "Feast of Lights" Christmas Program

The tableau (below) depicts this scene — "And she gave birth to her first-born son and wrapped him in swaddling clothes . . ." This child was the " . . . Light which had shined on them who have long been in the shadows."

"The people who walk in darkness have seen the great light . . ." The spreading of light and truth throughout the world was the theme of this year's traditional Christmas program presented on the evening of December 11, for the community, and December 13, for the student body.

This production represented the combined efforts of three hundred students who participated in the chorus, solos, narrations and the construction of the tableaux.

Miss Shirley Nute, with the help of Mr. Robert Altheuser, combined the talents of the A Cappella Choir, Choral-ettes, Advanced Girls' Glee Club, the Lyric Club, Sophomore Girls' and Men's Glee Clubs and the Mixed Chorus, into songs of the Christmas season.

Pictured, left, are the soloists in the Christmas program. Bottom row, left to right: Dorothy Bogart, Virginia Pool, Nancy Sisson, Laura Smith, Joanne Ferona, Kaye Stromburg and Jan Baker. Center row: Linda Grubb, Glynne Todd, Mike Pierce, Rickie Lipp, Gary Waxler, Jayne Paul, Jeanette MacArthur and Madge Marshal. The three narrators, top row: Adrienne Hotonian, Bill Dawson, and the principal speaker, John Robinson.

Narration between the selections was by John Robinson, Adrienne Hotonian, and Bill Dawson. They told the story of the birth of Christ and how the light of His life has lit candles throughout the world. Tableaus constructed under the direction of Mr. David Gibson depicted the key points of the narration.

"Go and search diligently for the child, and when you have found him bring me word, so that I, too, may come to worship him." This is the theme of the tableau (right).

Swearing in newly elected Student Body President Skip Newell is out-going GHS President Bill Dawson.

Student government has long been of great importance to Glendalites and each election is followed with interest. To qualify for a GHS office, a student must maintain a "C" average in grades, have a high merit average, and have a petition signed by at least 85 students. The entire student body votes on proposed amendments to the constitution as well as electing members to Cabinet. This past year Don Beck and Skip Newell held office as Vice Presidents while Bruce Jones was Director of Assemblies; Betty Slocum and Gay Miles, Secretaries; Sue Williams and John Robinson, Co-ordinators of Speech Arts; Bonnie Cook, Comptroller; Cecile Lash and Joan Henderson, Directors of Girls' Athletics; Don Beck and Miles Haskin, Directors of Boy's Athletics; Cheryl Taliaferro, Co-ordinator of Fine Arts; Rosemary Montana and Donna Sodoma, Directors of Publicity; Kay Langton, Co-ordinator of Organizations; Sue Barlow and Ricky Blanchard, Head Song Leaders; John Sipple and Dick Denny, Head Yell Leaders; and the members elected to Student Court were Bob Ray and Stu Szidak.

## Student Body and

Skip Newell and Dick Webb were the candidates for the high office of President of the Student Body. Skip was past Vice President of the first semester of 1957-'58 school term, and Dick was past President of the Junior Class in 1956-'57 and was one of our foreign Exchange students to go to New Zealand, where he finished his Junior and began his Senior year.

Introduction of Candidates for the second semester was performed by Past President Bill Dawson at nomination Assembly (sitting in background) Sal De Marco, Larry Anderson, and Stu Szidak, who ran for Student Court member; Bruce Jones and Melinda Dunn, candidates for Director of Assemblies; Steve Little and Don Beck were running for Vice President; and running for President were Dick Webb and Skip Newell.

## Class Elections

## Express Student Democracy

A screaming Bill Dawson hits the water of the fish pond in the Senior Glen, for a traditionally wet finish to his term as first semester Student Body President.

Tensions mount as an excited crowd mills around the school bookstore. "Here he comes!" someone shouts and the group parts for him to come through. He tacks a slip of paper on the bulletin board and steps aside as jostling people surge toward the notice. It's election day at Glendale and the ballots have finally been tallied!!

Holding on for dear life is Keith Moen, who was one of the many sign-hangers during the second semester elections. Anxiously looking on are Melinda Dunn and Pam Briley.

Don Beck seen here having his petition signed by Jane Gillis and Shirley Stadler, for semester Vice-president.

# Christmas Present for the Halls

**Deck the Halls.** This year the Civitans and Civinettes secured and decorated the traditional Christmas tree for the entrance hall. When school let out for Christmas vacation they delivered it to a children's home in East Los Angeles.

Also filled with the Christmas spirit, the Key Club sponsored a project whereby each homeroom would fill at least one box with canned food for a needy family.

Boxes filled with Christmas dinner bring good cheer to needy families.

A Christmas tree donated by the Civitans and Civinettes fills Glendale's halls with holiday spirit.

## Turn About's Fair Play

Students parade during lunch period checking costumes and discussing the events of the day. These are last year's pictures of this long-remembered day.

To Glendalites, Book and Baggage day means a reprieve from school clothes and work. Wacky costumes replace the conventional regulated dress; movies and Stylus signing are substituted for school work. An additional bonus is added for the guys. Their books are packed from place to place by girls.

Squirt-gun fights are the school sport on Book and Baggage day. Mr. Beck, boys' vice principal has a fine collection of these weapons by the end of the day.

# "What's My Line"?

**Decided on a career?** Glendale High's career day might have helped you. Late in March, students signed up to hear a speaker talk on the field of their choice. On May 1, third period, everyone went to a designated room, where he was given ideas on planning his career. There was a variety of fields open to students, including topics such as animal husbandry, fire fighting, the real estate business, truck driving and the veterinarian profession, along with the more popular jobs, such as secretarial work, modeling, business opportunities, dentistry, engineering and hospital work. Career day gives students an idea of the possibilities, the merits and disadvantages of the job. This insight may help them to decide whether or not they wish to prepare themselves for this career.

Stacks of forms to be filled out. Putting career day forms into piles to be placed in teacher's mail boxes are left to right: **Sue Meyer, Judy Flecker and Mary Jayne Sentick.**

## Juniors Fill Treasury

**Would you care to buy a magazine?** **Karen Risinger, left and Kathy Waters** solicit for the Junior's magazine sale. The class topped all other previous Glendale classes, and sold a total amount of \$13,416. With the money raised the Juniors will give the Senior Party, and the class gift to the school.

## With Magazine Sale

**Wow, what prizes!** Juniors, left to right: **Jim Baugh, Robin Paulson, Caroline Coplin, Kathy Waters and Trina Steine** look hopefully at the beautiful prizes which will be given to the leading salesmen in the Junior magazine sale. Among the prizes were a portable typewriter, radios, a movie camera, and wrist watches. High salesmen were **John Zannaiter, Ricky Graham, Fred Port, Tom Webber and Don Tyssee.** The one hundred and two people who sold over fifty dollars worth of subscriptions received a free steak dinner and a movie ticket to "The Bridge on the River Kwai." **Miss Margaret Graham's** fifth period was the top selling class.

Phwisst! in a cloud of smoke the Geni, (Kathy Woodburn) materializes from the lamp whenever it is rubbed.

"What powers do I hereby possess?" Aladdin (Eliza Bergeron) ponders after the Geni appears from the lamp.

"I must have the lamp," demands the Magician (Joyce Jones) angrily glaring at Aladdin. Guarding the treasures of the Golden Room are Camille Myers, Melanie Meyers, and Margie Castlen.

## "Aladdin's Lamp"

## This Year's Dance Recital

In search of the Ice-Blue Diamond, Aladdin ventures to Alaska where he meets up with penguins: Inge Gust, Sara Carlton, Barbara Askew, Pam Thomson and Eskimos: Linda Hay, and Cora Doty.

Introducing the audience to the enchanting world of Aladdin took the full co-operation of the set changers, script writers, and the dancers themselves. The script was written by a committee of dance students, directed by Miss Ruth Stwalley and Joyce Jones, and narrating the entire dialogue was Dennis Parrett.

Playboy, Tony Cavendish, portrayed by Milo Delgado, returns home to escape the clutches of a designing woman bringing the play to an exciting climax.

A few of the cast, (going clock-wise) Charles Buck, Carol Thurgood, Marty Sours, Suzanne Davider, Tina Fogg, Peter Rusch, Joel Miller, Dorothy Bogart, Milo Delgado, Nazneen Thanawalla, and David Beckett, pause during rehearsal.

'The Royal Family,' a three act comedy, by George Kaufman and Edna Ferber was presented by students of Glendale High School to the public November 21 and 22.

This fall production was supervised by Mr. Joe Wadlington, head of the drama department. The orchestra under the supervision of Mr. E. L. Balzer, supplied the music, and the make-up was supervised by Miss Esther Crandall.

Again, the Stage Crew, advised by Mr. David Gibson, was there giving a helpful hand. The cast of "The

Rockin' and Boppin' in one of the Rock and Roll Assemblies were Don Julian and The Masters. Below, Don and "Lucky" Lockhart swing out on "The Girl Can't Help It."

Dick D'Agostin and his band came to town to go to town on Glendale's stage. Dick played the piano, his brother Larry played the guitar, Dave Oster played the other, Wayne Geis was on bass, Paul Cauffman — drums and Gene Rossip on the sax.

## Study Routine Broken by

## School Assemblies

From the Island of Haiti came Jean Durand and his troupe. Their calypso styled folk songs and ballads went over big with the students and the show was rated one of the best assemblies yet.

Assemblies for the second semester were planned for Glendale students by the assembly committee. The committee is headed by Bruce Jones, director of assemblies. Members are left to right: Steve Little, Pat Nichols, Bruce, Vicki Shaw, and Melinda Dunn.

Music with a flare was performed by The Royal Guard, a singing group specializing in show tunes. The Guard sang tunes from "Showboat," "Oklahoma" and "South Pacific" plus several opera selections.

# Spring Play

The Spring Play, "Green Valley," written by Frank Wattron, will be presented to the students and public on May 9, long after this book has gone to press.

As the second drama offering of the Semester, "Green Valley" will be directed by Mr. Joe Wadlington, the head of the Drama Department, and produced by the GHS Drama Classes.

Above, Joe Wadlington is instructing the main characters of the play "Green Valley," Milo Delgado, Jonna Lee Hartman, and Elza Bergeron.

In the picture above, Burnie Hawn is carrying the ball for the Eagle Rock Athletic Club which Mr. Harry Beck (Vice-Principal) has been coaching for the past 11 years.

This year's Rugby Game on February 28, was sponsored by the Junior Class as a money raising project. Due to bad weather there was not the turn out expected. The Santa Ana Rugby Club won over Pepperdine 19-9. The UCLA Bruins also played the Eagle Rock Athletic Club with a final score of 8-0. Two exDynamiters, Tom Paton (Breakaway) and Captain Joe Harper (Scrum Half) played for UCLA.

# On Your Mark!

## The Inter-class Track Meet Starts Off With a Bang

As was expected, the Senior Class trackmen won the spring interclass track meet with a total of 140 points. However, the game sophomores upset the Juniors for second place with the Sophomores collecting 108½ points, the Juniors 98½.

Leading the victorious Class of '58 were Bill Fasano, with victories in the B high hurdles and high jump, Dave Hull, who won both varsity hurdle events, and Tom Sparrow's B low hurdle and pole-vault wins.

Senior Bill Gableman wins the varsity 100-yard dash in 10.3, ahead of Bob Drake, sophomore, and Senior Johnson.

Senior Tom Sparrow was the victor in the B 120-yard low hurdles. Here Sophomore Jim Freeland and Senior Gary Logan trail Sparrow over the second hurdle.

Bob Jensen leaps 21'-4½" to win the varsity broad jump. Jensen, a Senior, won over Juniors Chuck Brady and Gerry Saulvester.

A warmup toss for Hal Coons prepares him for the B shot put competition. Coons was edged by Junior John Whitney in the event. Both have hit 48 feet or better consistently this season.

Varsity pole-vaulter just misses on one of three tries. Shown is Junior Jerry Lee, who placed third in the event, behind Seniors Bob Johnson and Bob Jensen.

# Sewing Classes Present Fashion Show

Examples of the suits made by the tailoring classes are modeled, Left to right: by **Marilyn Bohn**, **Kathie Montana**, and **Barbara Knock**. Marilyn and Kathie chose a medium shade of blue wool for their projects. Barbara's ensemble was made of a turquoise and white tweed.

**Lorna Davenport** models her white sheath dress with small black shoulder ties. It is made of a rayon blend of material.

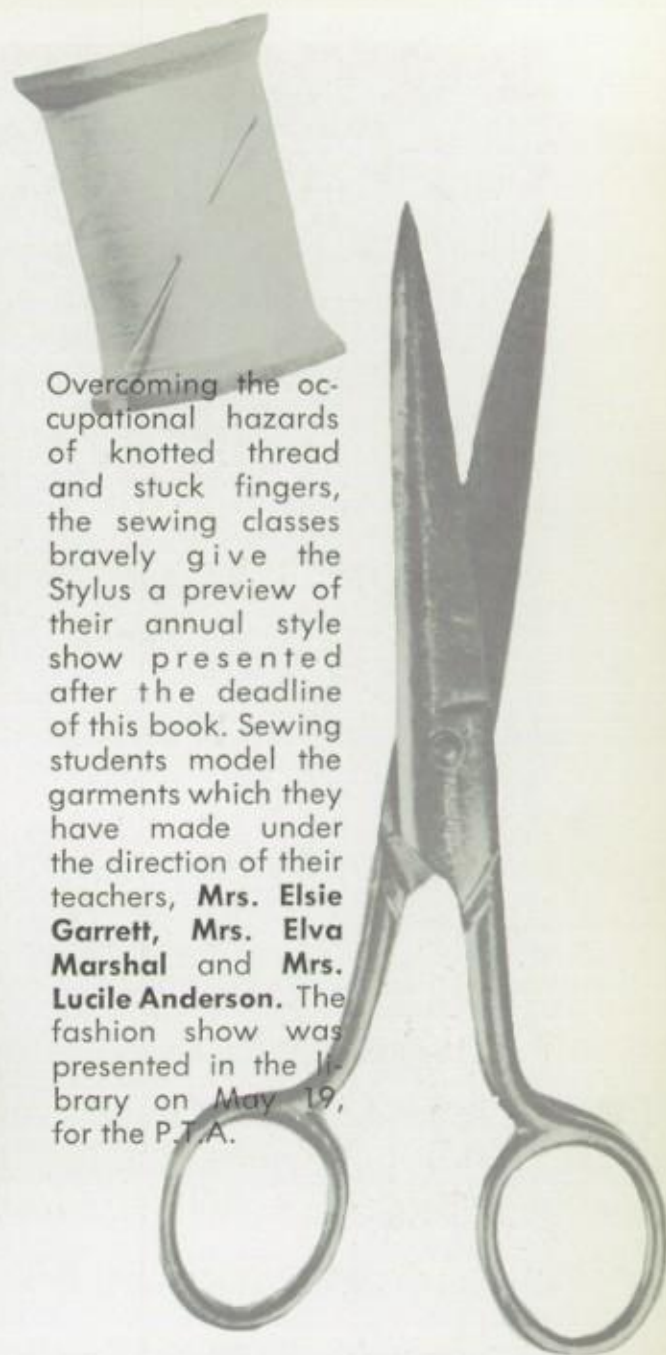

Left to right are **Joy Knisley**, **Sharon Parsons** and **Bonnie Neish** modeling their sheath dresses. Joy made hers with a short jacket out of blue wool. Sharon's dress is an ivy-league pattern made of a brown, red and green striped cotton. A white and red sash trims Bonnie's red wool outfit.

**Ellen Kneiding** and **Lynn Loeffler**, right, chose coats for their tailoring projects. Ellen was absent when these pictures were taken. Here her three-quarter length coat is modeled by **Linda Hoy**. Lynn made her full-length coat of black wool.

Overcoming the occupational hazards of knotted thread and stuck fingers, the sewing classes bravely give the Stylus a preview of their annual style show presented after the deadline of this book. Sewing students model the garments which they have made under the direction of their teachers, **Mrs. Elsie Garrett**, **Mrs. Elva Marshal** and **Mrs. Lucile Anderson**. The fashion show was presented in the library on May 19, for the P.T.A.

## Football Spirit Continues

### At the After Game Dances

Glendale's home game dances offered a good place to discuss the events of an exciting game.

To climax an exciting evening of hard cheering for the Dynamiters, three school organizations sponsored after-home game dances. Glendale football fans were admitted to the green room for 25¢ and a student body card. The Cabinet, advised by **Mr. Wallace Rankin**, presented the first dance, the profit to be used to extend the school budget. **Mr. Ado Boniguidi's** Pep Club and **Mrs. Patricia Mack's** Nitroettes, the school drill team, sponsored the other two.

Home games had excellent turnouts and were a good climax to thrill-packed evenings.

This year's Sophomore production of "Harbor Lights" was proclaimed a great success by all who attended.

The traditional school-year dance to be sponsored by the Sophomore Class as the "Cotton 'n Cord" (after the dress requirements) followed a theme of "Harbor Lights."

The Sophomores went all out on the decorations this time. There were fish nets on the walls and ceiling, with life-savers, and star fish. The throne was a small sail boat with a large sail on which appeared '60 (meaning class of 1960). The boat was covered with red, pink, and white camellias.

The Cotton 'n Cord Princesses this year and their escorts were (clockwise from lower left): Linda Souer, Rick Marshall, Eileen Henry, Dave Lawerance, Adrienne Russell, Carry Schwartz, Tom Seabold (Class President), Queen Jill Parker, Tom Elison, Jaynee Paul, Keith Moen, Joyce Mothershed, Bill Woodford and Pam Bentley and her escort Jim Straton.

## Cabinet Played Host at the Backward Dance

There seemed to be a great deal of excitement over the "Bunny-hop" during an intermission of Don Porter's band.

The one chance for the gals to take the guy of her choice out on the town was this year's Backward Dance. She was to buy (or make) the corsage, be his chauffeur, and to pay all checks. "It's a Woman's World" was held on the night of February 1, in the well known "Greenroom," and was sponsored by the 1958 Cabinet Members and advisor, Mr. Wallace Rankin.

"It's a Woman's World" as the golden arrows of cupid pierced the male hearts (?) as for one evening the pursuer became the pursued. (clockwise) Bill Pierce, Brenda Robichaux; Sue Barlow, Tom Sparrow; Skip Newell, Kathy Murphy; Don Beck, Bae Barrow; Miles Haskin, Lynn Davis; Michael Wellman, Garry Overholser; Gary Hudson, Skip Hudson.

Lynne Gordon and Frank Horowitz were the center of attraction in this fast moving number.

# Junior Prom

## Was "Shangri La" For Dancers

Once the hurried and exciting preparations were over, the long awaited Junior Prom began. The "greenroom" was transformed into a "Shangri La" with a Chinese pagoda, four beautiful fountains, a golden buddha, and many exotic lanterns.

Pictured above right: Queen Karen Risenger surrounded by Keith Walberg, her escort, and Bill Jencks, the Junior Class President. Left to right is her lovely court and their escorts; Pat Dominick, Bill Borst; Diane McBain, Ron Logan; Sandy Murphy, Robin Paulson; Anna Mae Wheelbarger, Ron Mothershed; Kathy Montana, Ed Garaliski; Carolyn Hooper, and Barry Bottrell. The entire Junior Class, along with their advisor, Mr. Dudley Graham, had good reason to be proud of their successful dance with a colorful theme.

These post-dance celebrants enjoy themselves at the well known Smoke House.

The court is elected by the entire student body. The girls who run are nominated by friends and must have a "C" average and a merit record of above 85. After voting, the names of the princesses are posted; but the queen's name is kept a secret until 11:15 the night of the prom.

The last Waltz puts the finishing touches to an enchanting evening spent in "Shangri La."

# The Queen and Her Court at the Senior Prom

This year's Stylus Staff added another feather in its modest cap with this presentation of the Senior court. The Prom scheduled for May 17 (long after the Stylus goes to press), has not in past years received yearbook coverage. To correct this inequity, the staff talked the Senior class advisor, Mr. Jack Parker and President Tom Sparrow into holding campus election of the court early to be included in the yearbook. We trust everybody enjoyed themselves at the Prom as much as we enjoyed assembling this page.

This is a finale? With great poise and precision, the Faculty Frolics take a bow to the hysterical screams of the students.

Nothing very imperial about this group, but trying their hardest are "Jumpin" Bill Gelsinger, "Rockin" Roy Vujovich, "Boppin" Larry Weis-hart, and "Leapin" Bob Altheuser. Is that music they are reading or blue slips?

Stage hand, Golder adjusts the microphone for "Starlet," Shirley Nute. Her torch singing set the male members of the audience on fire.

Catching the eye of watchful Dudley Graham is the Spanish Seniorita, Margurita O'Brien. Her truly Spanish name was nothing compared to her dancing.

## "Reveals All"

The graceful swaying of "Palm Tree Edwards" entices "Money-Mad Hall" and "Parasite Parker" to do an island dance to "Bali-Lo."

The end comes to Mr. Osterveen in the play, "The Piano Played On." Doing the shooting is Mr. David Gibson, "Baddy Billy."

# Behind The Scenes at Glendale

## Are These Hard-working Groups

The bank loans money, handles ticket sales, membership drives, and other school funds. Bonnie Cook, Bob Rost, and Roger Jalbert help run the bank.

Behind the scenes at Glendale are many hard working groups which are too often taken for granted. Students combine efforts with faculty members to run the campus Bank, Bookstore, Library, and Candy Shack. These various facilities are available to students at any time during school.

Mrs. Alma Hall and Bonnie Cook, Comptroller, sell a student body membership card to Pam Van Wie.

Mary Fitzpatrick and Corinne Campbell work at the Candy Shack during snack and lunch time. Penne Freebairn and Bonnie Pyles decide what sweets they will buy.

This year the Bookstore featured stationery decorated with pictures of the school. Bill Dawson makes change at the cash register while Clark Jolley sells book covers to some students.

Busy librarians Carl Orth, Nadine Minkoff, Margaret Mohr, Joyce Eaton, Pat Nichols, and Bill Willis pause for a picture.

Ron Zakreski, Murray Staff, and Henry Shannon hold the ladder while Ron Fiorvanty and Bob McAllister adjust wiring in the stage lights.

In front, Bruce Rice and Torrey Smith point out instructions for the fall play scenery to Dave Wilms, Mike Riley, and Jim Case. In the background, Mr. Gibson helps Don Foley and Gene Heisler add a step to the curved staircase used in the play.

On the job at all programs, plays, and dances are two more industrious groups, the Stage and P. A. Crews. Mr. Dave Gibson taught the Stage Crew this year while Mr. Greg Lawrence was in charge of the "Public Address" crew.

## Our "Fourth Estate" At Work

Keeping the student body well informed on the news and happenings was the **Explosion**. This year's staff put forth special effort and produced outstanding issues. The Hoover game and the Christmas issues both featured color on the first page. ## Girls' League Board

### First Semester

Decorating for the Football Banquet is one of the many functions of the Girls' League Board. Here, left to right, Mrs. Jackson, Girls' sponsor, Donna Reed, Gail Newton, Kathy Murphy, and Nancy Utech are setting the head table.

Every girl enrolled at Glendale is automatically a member of Girls' League. The League's function is to help the girls get acquainted with each other and provide clothes and school supplies to girls who are in need of such help. The League Board elected each semester by the girls themselves, sponsor a "Howdy Day" at the beginning of school in September. During the year they decorate and serve at several banquets, put on the Girls' Stunt Show and have several assemblies for Girls' League. Several of the Board members head committees which make hospital tray favors and help with various other community functions.

Their initiation as members of Girls' League Board, second semester, was a big moment in the lives of Judy Scribner, Kathy Waters, Ann Metcalf, Nancy Utech, Susie Green, Pauline Speck. Row 2: Sandy Hearn, Linda Arnds,

Alice Chew, Geebie Alisch, Joy Hooker, Beverly Larson, Joan Henderson, Elza Bergeron, Sharon Whitley, and Connie Sonntag.

## Second Semester

An important function of the Girls' League Board first semester is to plan and sponsor the Stunt Show. Joyce Mothershed, Kathy Waters, Nancy Utech, Kathy Murphy, and Gretchen Clemmons earnestly read scripts and exchange ideas for the Show.

Boys' League is composed of every boy enrolled at Glendale High. Towards the end of the year, they combine with Girls' League to sponsor the Dutch Treat dance. Their main project this year was the faculty-varsity basketball game.

A packed gym greeted the League - sponsored varsity - faculty game. There was much fun and spirit displayed by the students and faculty. Our thanks to Boys' League for its sponsorship.

Miles Haskin, a senior, has been much appreciated this year for all the work he has done, and the leadership he has shown as president.

## Band and Symphonettes

**Toot and tweet and music sweet.** The Glendale High band marched in many parades this year.

Tuning up for the Band and Symphony State Contest held at the Pasadena City College is Ruth Watson, Bass player, in both organizations.

Practice makes perfect or so the saying goes. Mr. Eldred Balzer drills the Symphonettes for the State competition they have entered.

Glendale's Dynamiter combo "jives" a number at the Glendale-Hoover basketball game. The gym floor reverberated to a jazzed up version of "When the Saints Go Marching In" and a roll of the drums pealed each time the Nitro Five make a basket.

Both the Band and Symphonettes took top awards for outstanding performances when they competed at Pasadena's Music Festival and went on to compete in the California Finals held at Compton. In the Los Angeles National Music Convention, Louise Di Tullio, Diane Hatteberg, and Joel Kotin soloed

with the official California orchestra.

On another program Jim Phypers, Steve King, Sue Fussell, Dorothy Tugby, and Bob Hines were featured. Louise Di Tullio also rendered the Mozart D Major flute concerto.

Suspense fills the auditorium as Mr. Balzer and the Symphonettes await the outcome of the Pasadena competition.

Music, music everywhere. Something new has been added to Glendale's curriculum in the form of an afterschool music club. Sponsored by Miss Shirley Nute, the **Cresendos** include (from top left down), Row 1: Stan Gould, Bill Frances, Sandy Baldwin, Judy Comstock, Audrey Bahr, Carol Mason, Donna Morgan, Phylis Key, Marge Castlen, Donna Pflueger, Sharon Weaver, Camille Meyers, Vickie Baughman, Mike Pierce. Before a girl is eligible to be a Nitroette she must complete a year's training course as a Sparkler, participating in as many Sparkler activities as possible. At the end of the year she competes in a series of "contests" against the other Sparklers. If she survives all this as well as maintaining good posture grades she may then join either a flag, baton, or pom rank in Nitroettes.

# Song and Yell Leaders are out to Cheer the Team

Feet stamping, arm waving and yelling, are the typical actions of Glendale High fans at all pep rallies, football, and basketball games. They were led in well organized songs and yells by the school spirit leaders. The song and yell leaders are elected in June, and serve the following year.

## Football

This year's Dynamiter squad which came within two points of blasting their way into Foothill honors, showed what a determined team could do with ample coaching and spirit. The Dyno's had to build a new team this year with only five varsity lettermen returning. Most of the material came from last year's "B" and Junior Varsity squads. Even though Glendale placed second in the league, fine spirit, coaching, and sportsmanship will be synonymous with the 1957 Glendale team.

The optimistic look on Coach Vujo-  
vich's face shows this to be a  
crucial moment in the Pasadena as  
he sends in fullback Bill Jenks with  
instructions to "get in there and  
fight".

Coach Roy Vujovich

Coach Roy Vujovich attended U.C.L.A. where he played end for Red Sanders. It was from Mr. Sanders that Coach Vu learned the single wing formation that has proved so devastating in all the Dynamiter games. Mr. Vujovich is married and has two daughters. He thinks Glendale is the "greatest," but thinks we should have even more spirit in supporting games.

After attending Glendale High School, Coach Ted Andrews majored in physical education at San Jose State. Completing his second year as assistant coach of varsity football and swimming, he thinks this is the greatest school in the country. Coach Andrews is also a family man. He boasts of five children.

## The Season

### Pre-League Games

Glendale High's pre-league season ended with a one and three record. The Nitros dropped the first game of the season to a fine El Monte eleven by a close 8 to 7 tally. The next week found Glendale losing by 20 points, in a 27 to 7 game against Santa Monica. Finally, the tables were turned when the Dynamiters defeated the once powerful Alhambra Moors. Another close game followed and found the Dyno's coming out on the short end of a 7 to 6 thriller with California High School. Despite the one and three record, the narrow losses indicated the Dyno's as a potential power in the league race.

### League Games

Nitro co-captain Bob Hensler crashes into a wall of Pasadena men on a colorful punt return.

## Pasadena

Glendale 20

Pasadena 0

Glendale opened their league play by pounding a completely outclassed Pasadena eleven into submission 20 to 0. The out-manned Bulldogs never were in the game, netting only 52 yards passing and rushing to the devastating Dynamiters' 381 yard total. Pasadena, however was without the services of their two best backs, both bedded with the flu. But even their appearance probably would have made very little difference against the high-gear'd Glendale crew which ran and passed almost at will. This game was a fine example of Glendale coaching and spirit.

Tailback Bob Hensler rolls into the end zone for another of Glendale's six touchdowns against Burroughs.

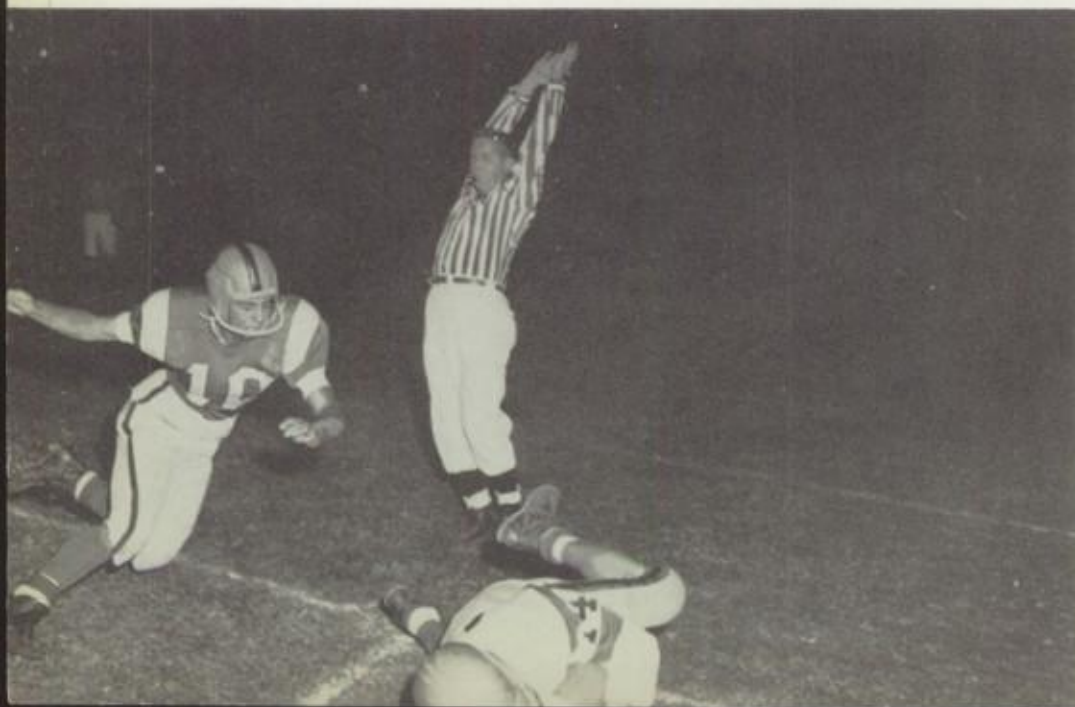

## Burroughs

Glendale 38

Burroughs 20

The powerful Dynamiters emerged as a positive challenger for the Foothill League football flag, after a smashing 38-20 romp over Burroughs. Surprisingly, the Dynos had to come from behind in the early moments of the game when a pass misfired and was quickly capitalized on by the Indians. In four minutes the Nitros tied it up. From here to the end it was Glendale's ball game, with the Dynamiters scoring twice as many touchdowns as the Indians.

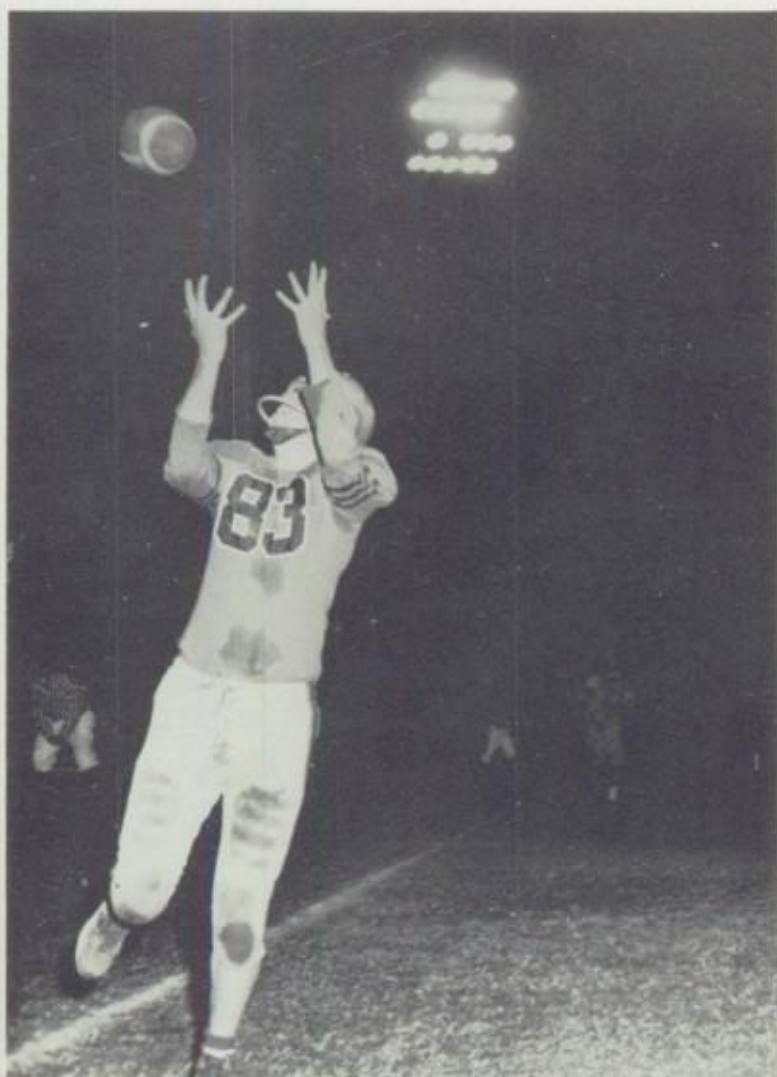

## Burbank

Glendale 13

It appeared to some that Roy Vujovich's fighting eleven was slightly over-confident for this one. However, right or wrong, it was a tight game all the way and presented a thrill a minute. Too much credit could not be given to the Nitro defensive unit, which played outstanding football, and were very instrumental in the Glendale victory. The Glendale offensive unit made good use of the breaks made by the Dyno defense.

Burbank 6

First-string end John Hayes scoops in a long pass against the Muir Mustangs. John, a junior, will undoubtedly be outstanding again next year.

## Hoover

Glendale 38

A determined Glendale-High football team moved into the city series lead by pounding a weak Hoover eleven in a second half comeback.

The series, which started in 1930, was tied going into this year's game at thirteen wins for each school. In the last three years Glendale has shown outstanding performances in this Rose Bowl classic.

Glendale left a 12 to 12 ball game when the gun sounded ending the first half. But the game went on to prove that a completely new Glendale eleven emerged from the dressing rooms for the second half. Glendale showed this by rounding up a 26 point lead by the time the final shot was fired. A strong Nitro defense set up several of Glendale's six tallies, while a quick Dyno offense out first-downed the Tornados 13 to 4. Glendale outgained Hoover 280 yards to a meager 122.

Hoover 12

Halfback Phil Lozano stops a fleet Burbank back, as Bill Gableman and Bob Manskar close in. Phil's defensive play was instrumental in several Nitro victories.

## Muir

Glendale 19

The Dynamiters gave a capacity crowd at Moyse Field everything but one needed point in this thrill-packed game. By a thin margin of two misfired conversions, Glendale missed scoring one of the big prep up-sets of the season. The heavily favored Mustangs scored two quick touchdowns in the first quarter and another in the first few minutes of the second, giving them a 20-0 lead.

At this point Glendale came to life. Glendale's fine offensive unit sparked to overcome the 20 point deficit, by scoring two touchdowns in the second quarter, but missed the two conversions. The Dynamiters scored one more TD in the third quarter and kicked the extra point, but the damage was already done. A scoreless, but hard-fought fourth quarter found the Mustangs still in the lead, 20-19.

Muir 20

Junior fullback Bill Jencks is shown smashing over for the final touchdown against Hoover in the annual classic at the Rose Bowl. Bill was one of the Nitro's top ground-gainers this season.

# Varsity Basketball

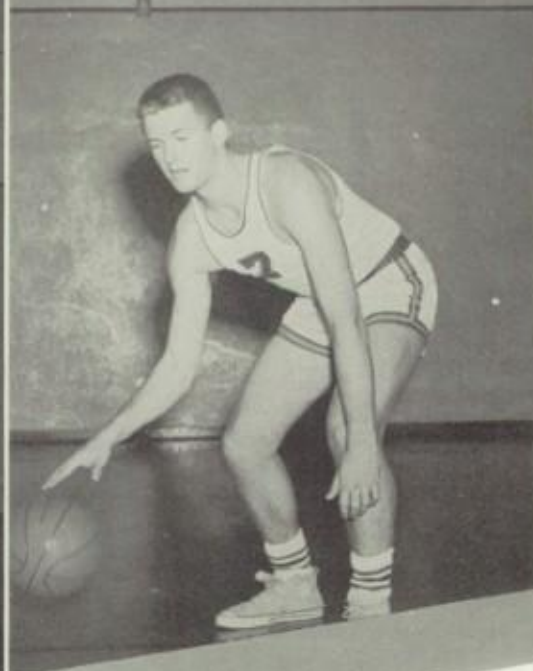

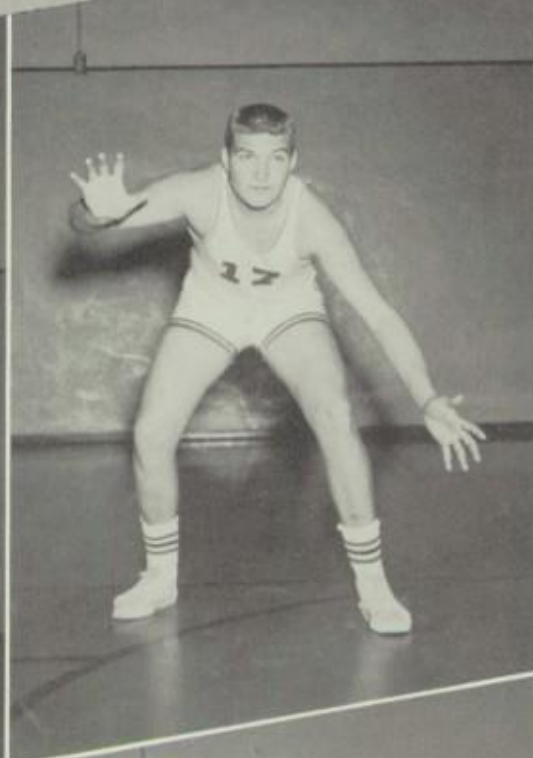

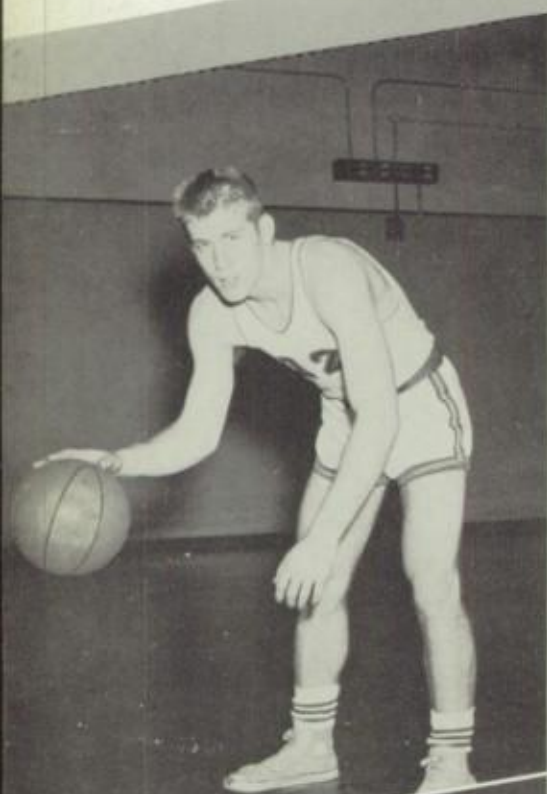

This year's Varsity basketball team showed more spirit than many of the teams before them. For the first four games, which they lost, they fought to find the right combination. Along about the first Hoover game they began to click. From that point to the last game of the season they wouldn't be beaten. Coach Haas said of his team, "Any team that starts at the bottom of the league with four straight losses and then wins six in a row to take league honors is a great team."

Tim Vezie was voted Best Rebounder, averaging about 18 a game, probably the best in the league. He was also awarded an Honorable Mention position on the All League Team. Don Beck was voted Best Freethrower on the team with a 20 out of 27 record.

# Varsity Basketball

Aggressive Nitro guard Ron Smith drives around a Hoover player in an attempt to set up Darrell Sutherland, in the background, for two more points.

Varsity basketball fortunes included both the good and the bad. At times a well-organized and almost brilliant team on the court, the Dynamiters finished the season with an overall 15-11 record.

The Nitros started out the season by winning their first five practice games. At this point, the team hit a snag, losing five of their next eight games, to end the practice round with an 8-7 record.

The league scoresheet looked different, however, as the Dynamiters came back with a 7-3 record to tie for the league championship. This streak included a string of six straight wins, including two over rival Hoover, and followed a dismal 1-3 record after four games. Chosen as the league's second team, the Nitros entered CIF playoff competition and lost to Bellflower, 65-53 in the first game. But the Glendale casabamen had proved their point, playing well as a team, and providing many a thrill for Glendale High basketball fans.

# Varsity Track

Track, the most ancient of sports, flourishes at Glendale High under the guiding hand of Coach Lon Graf. Loaded trophy cases attest to the ability of Glendale's Varsity Trackmen who have run off with the Foothill League honors four years in a row. Over the years Glendale's track record has gone virtually untouched by the other five schools in the league. Not only does Glendale have a fine record, but a fine reputation.

Bob Johnson, who holds Glendale's pole vaulting hopes, successfully clears 13 feet.

Everywhere the spikesters compete they receive the full respect of their opponents. This admiration is due to the fact that the cindermen never allow their abilities to outweigh their sportsmanship and spirit. Sportsmanship and spirit have become synonymous with the name Glendale High when mentioned in Track circles. This is the greatest accomplishment of any team.

Field captain Bob Johnson takes off down the pole vault path en route to his usual 13 plus vault.

Bob Drake and Bill Gabelman leave the blocks on their way to another win over Pasadena.

Miles Haskins easily took the mile from Pasadena.

## Varsity Track

Track has been slow getting under way this season due to the rain. As the book goes to press, two meets have been rained out. However, they have done well in the two meets they have had, with a 74-30 romp over Pasadena and a commendable second place in the Pasadena Games at Muir. Due to lack of strength in the Varsity division, Coach Lon Graf has moved several B's up. It is hoped that the increased strength in this division will boost them into the Foothill League honors.

The Glendale B's were off to a good start this year with their annual smashing of Loyola when the rains came. Since then they have been rained out twice. Nevertheless, training and workouts go on as well as possible, on the track when it is dry enough or in the gym when it is not! With the clearing of the weather, the B's got two meets in before the book went to press. They took Pasadena in an easy 58-28 win and pulled a first in the Pasadena Games.

It may be too early to say whether or not the B's will take the league, but on the basis of their performances against Pasadena and at the Pasadena games, Coach Graf thinks there is an excellent chance for the team to take league honors, even minus the boys being moved up to a Varsity capacity to fill the deficits in that division.

This year's Firecracker squad hasn't a letterman in it. Yet, with the strength they have demonstrated so far this year, they should be a strong contender for the Foothill League honors. So far the C's have enjoyed an easy romp over Loyola and a respectable third in the Pasadena Games. The Firecrackers were forced to compete among themselves at the Glendale-Pasadena dual meet because Pasadena has no C team.

# Varsity Baseball

It is said that baseball is America's favorite pastime. This is especially true for some three dozen members of Glendale's 1958 Varsity and J.V. baseball squads. These teams have battled both college and high school opponents this season, as well as an unusually wet Spring. Many days the workouts have been moved to higher ground in the gym or on the old parking lot area. Both teams are definitely strong contenders for their league championships, and hope to reverse some of last year's decisions with Foothill League teams. Lacking experience the 1957 Dynos lost more than their share of games. This year the experience problem has been remedied, along with more consistent hitting, balanced by better pitching depth.

Here it comes! Dyno pitcher Darrell Sutherland sends a pitch on its way as the Dynos defeat the Muir Mustangs for their third league win against one loss. Sutherland was Babe Herman Trophy winner in 1957 as a sophomore.

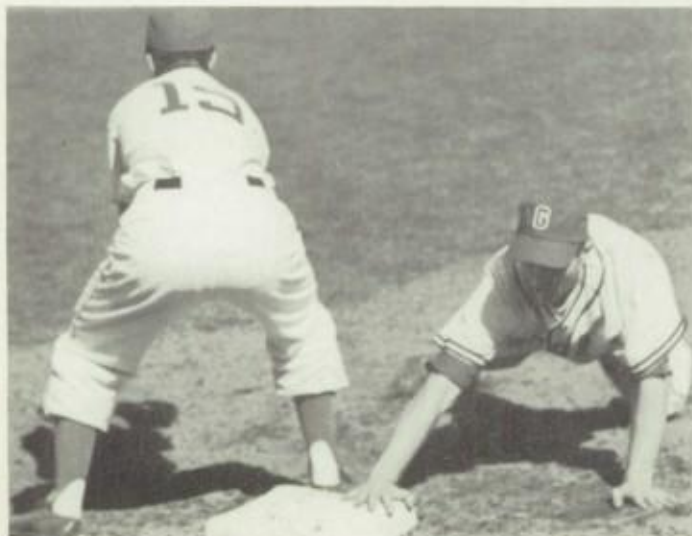

# Varsity

Here's one that didn't count. Dyno outfielder Doug Stringer crosses the plate too late to beat throw to Hoover catcher Frank Frederick.

Following the Burbank loss, the Dynos' three game win streak sent them to the top, where they expect to remain perhaps for the whole season. The 7-2 win over Pasadena was highlighted by Darrell Sutherland's one-hit pitching. The Hoover win was also a result of Sutherland's fine pitching, and some solid hitting on the part of Bob Parker, Barry Bottrell, and Tom Bonetto, who collected two hits each. Shortstop Denny Simila sparked the second win over Pasadena, as he paced the Dyno hitting attack with a home run and a bases-loaded double to drive in five runs. With this hitting and pitching, the Dynos will go a long way this season.

Here's a close play at first base as centerfielder Bob Parker barely beats the throw from Hoover Pitcher Pat Stoker to Purple first-sacker Tom Rike.

Here Stringer takes a big swing in the Nitros' 7-2 win over Pasadena in the second game of the season. This was Pitcher Darrell Sutherland's first league win of the year.

The Glendale horsehiders opened the season with three wins in four games against the Glendale College team, followed by a 19-3 win over the Occidental College freshman team.

Against the Glendale College Vaqueros, the Nitros won by scores of 2-1, 16-5, 4-3, and lost 8-5.

Nitros lost to Burbank, followed by wins over Pasadena 7-2, Hoover 10-6, and Pasadena again 9-6. The three wins in league play so far have been scored by Junior Darrell Sutherland, winner of the 1957 Babe Herman award as a sophomore.

# Baseball

This is the 1958 edition of the Dynamiter Varsity baseball squad, all dressed up and ready to go before the Hoover game. Members in the bottom row, left to right: Roger Williams, outfield; Alan Vernon, catcher; Dave Lawrence, second base; Denny Simila, shortstop; and Carlisle

George, third base. Back row includes Pitchers Ken Lawrence, John Hayes, and Joel Packard; Bob Parker, outfield; Tom Bonetto, first base; Darrell Sutherland, pitcher; and Coach Bill Gelsinger. Not shown are Catcher Barry Bottrell and Outfielder Doug Stringer.

Hoover's Tom Rike doubles to right field as Catcher Alan Vernon waits in vain for the ball behind the plate.

On a close play, Glendale Centerfielder Bob Parker is safe at first as Glendale College first-baseman takes the throw too late for the putout.

Coach Gelsinger takes time out for thought during one of the few quiet moments in the Hoover game. The six-inning fracas lasted three hours.

# J.V. Baseball

Giving pointers in hitting to Bob Farnsworth, J.V. team captain, is Coach Leo Arranaga.

Providing playing experience for future Varsity players, and a well-balanced team in its own right, is the 1958 Dynamiter J.V. baseball squad. A solid team, the squad combines good power-hitting with percentage hitting, and an excellent pitching staff, and top-notch fielding.

On a still-wet field, J.V. players get in some fielding practice before the rain drives them indoors again.

J. V. baseball squad members are, from left to right, front row: Bruce Uppman, John Shields, Russ Howell, Jim Wilson, Jerry Ford, Jim Pollack, and Don Hagen. Second row: Jack Christy, Skip Wells, Bob

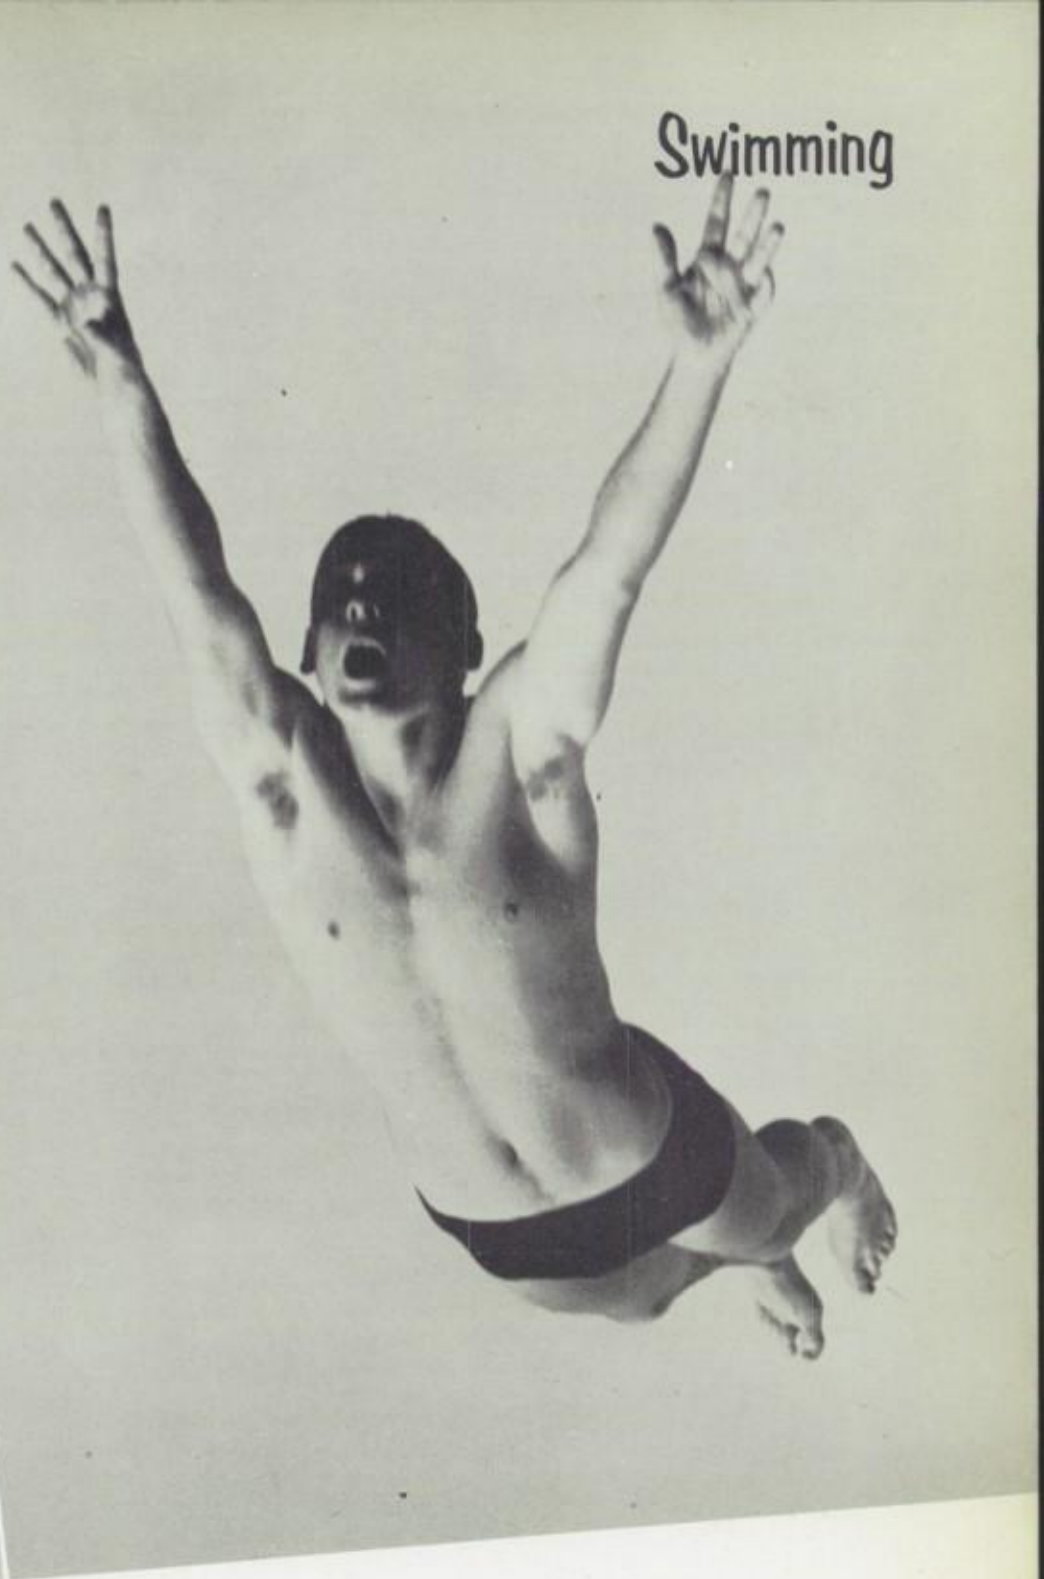

Farnsworth, Ken Temple, Gary Crippin, George Beattie, Bob Russell, Bob Ruffner, Tom McAdam, Jim Maddux, Ray Barrick, Leon Cunningham, Garrett Coombs, and Sam Clement.

# Cross Country

Garret Wesp, Richard Hearn, Vance Treidler, Steve King, Don Wintz, Paul Loewen, Dennis Parrett. Row 2: John Christy, Don Uhl, Jerry Liebersbach, Paul Snarenger, Bill Hartman, Bill Thomas. Row 3: Coach Lon Graf, Morris Brown, Mike Clark, Reed Webb, Bruce Jones, Brad Hedricks, and Coach Pat Logan.

Morris Brown gets set to run a time trial on the Glendale track while Coach Lon Graf clocks him.

This year, as in the past two years, Glendale's fine championship cross-country team walked away with Foothill League honors. The only meet the Harriers lost was to Burroughs High School.

This meet fell on the same day as the Oratorical and the team was almost too excited to run. However, in the League Meet when all the schools in the Foothill League ran in one race, Glendale won with ease, placing five scoring men in the first eleven to finish. The team's championship quality can be traced to the hard workouts at the hands of Coach Pat Logan from Occidental College, and the fine experience of Head Coach Lon Graf.

Huffing and puffing up one of the steep hills on the Verdugo Park cross country course are: Morris Brown, Don Uhl, Garret Wesp, Pasadena man, Steve King, and Vance Treidler.

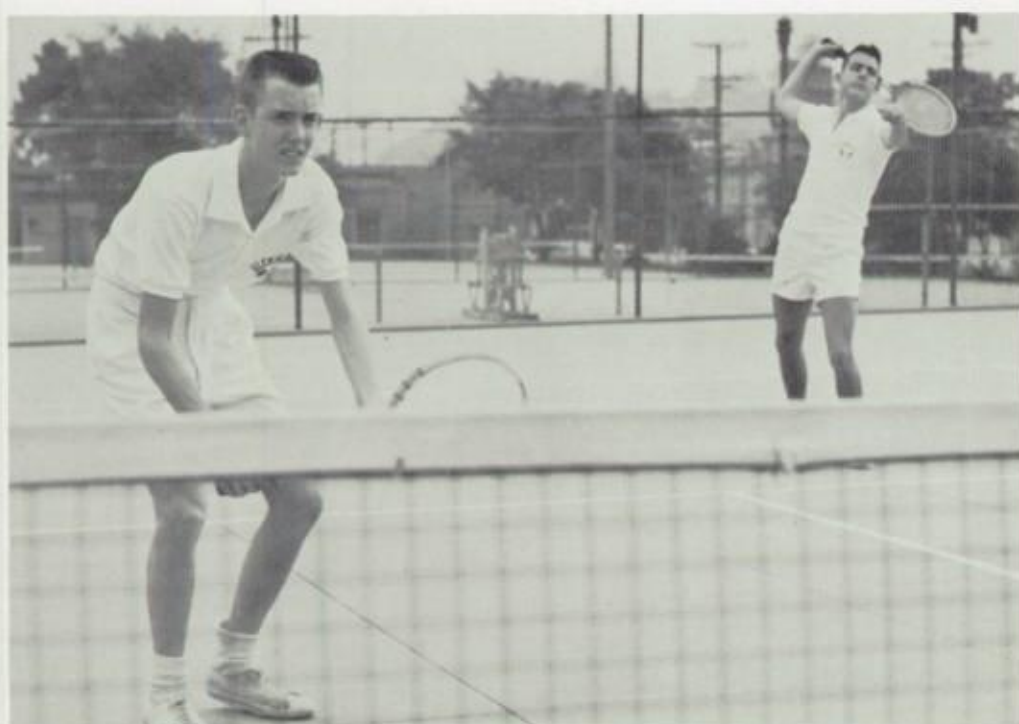

# Tennis

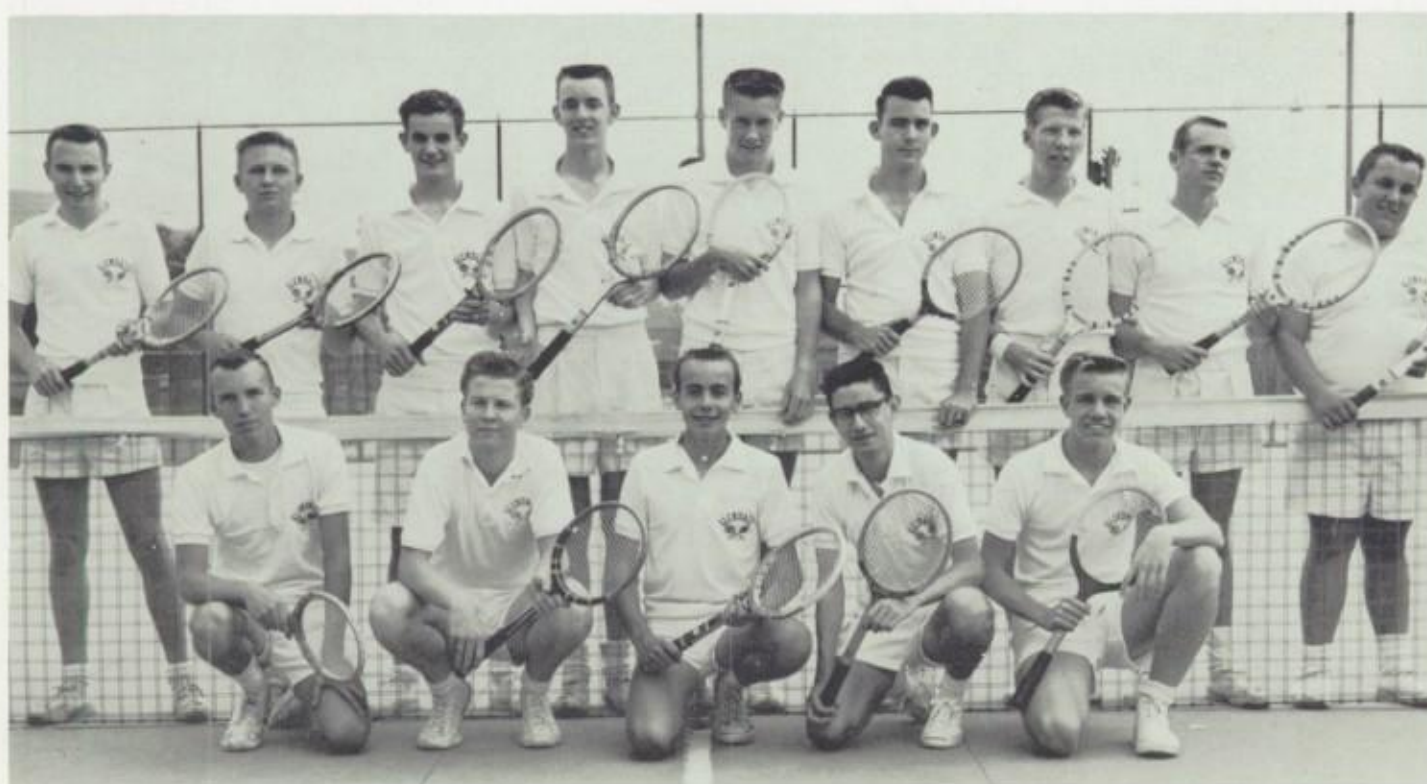

Last year the Tennis squad won the League Championship. With many of their lettermen back, such as Collett, Dawson, Lisk, and Weeshoff, they expect to win it again. As yet they are undefeated owing in part to the playing of Wayne Collett, the best player in the Foothill League and one of the better high school players in Southern California.

Wayne Collett moves up to the net to return a lob.

Larry Weeshoff gets set as Bill Dawson serves up.

Left to right, botom row: Ralph Priest, Ken Stilts, Clay Crowley, Richard Marshall, Harold Peterson. Top row: Jim Blum, Dennis Ellwell, Clark Jolley, Larry Weeshoff, Wayne Collett, Bill Dawson, John Lisk, Steve Olson, Arvid Ronnfeldt.

# Varsity Swimming

Swimming for the second year in their new pool, Glendale's Varsity swim squad is undefeated with only four more meets to go. Coach Ted Andrews is confident that the team will take Foothill League honors again this year and have a good chance in the CIF finals.

John Stewart tucks as he executes a graceful forward one and a half off the high board.

Bill Jensen shoves off from the side at the start of a back-stroke race.

Left to right, bottom row: Bill Jensen, Ron Morris, Marty Sours, Tim Harris, Bill Mortimer. Top row: Coach Ted Andrews, John Stewart, John Shock, Booth Hartley, Dick Pence, Jim Baugh, Bob Moulton, Ralph Powers.

## "B" Swimming

Bob Therrien gulps for a much needed breath of air during a breast-stroke race.

Coach De Mandel's B's took the league championship last year and are just as strong this year. With seven meets and seven wins under their belts, the B squad just about has the championship sewed up with a good chance at the CIF honors.

Left to right, bottom row: Dave Beckett, Bill Jiles, Bruce Daniels, Vance Bennett, Bob Behrend, Sterling Blanchard, Ted Stover, Jim Marvin, Bob Therrien. Top row: Dennis Lahmon, Larry Patton, Paul Beckett, Joel Kotin, Bob Hanson, Bill Lycett, Ted Anderson, Wayne Apgar, Dan Marks, B Coach Andrews.

## "C" Swimming

Left to right, bottom row: Gary Williamson, Dennis McGee, Steve Saylor, Don Schirmer, Mike Boyle, Mike Towles, Rocky Rudolph, Steve Webber, Bud Clarkson, Hank Grigsby. Top row: Tom Sherwood, Bob Asquith, Mike Liddell, Val LeClerq, Bob Schultz, Ruffan Ring, Gary Nelson, David Wilms, Dick Schultz, Pete Rusch, John Redfern, John Pope, Diving Coach Hooper.

John Pope crouches in anticipation of the gun which he hopes will send him on his way to another win.

Although there is no C league, the Glendale C's take on all the schools in the league who have C teams. The C Championship is determined at the League Meet. The Glendale C's, who have defeated all comers thus far in the season, are confident of obtaining league honors.

# Memorable Sports Moments '57 - '58

**Bud Teachout**, Boys' P.E. Department Head — The wonderful work done by the coaching staff here at Glendale.

This year it was deemed a fitting ending for the Sports Section to include a special page for coaches. In a brief interview each coach was questioned as to the most memorable event or incident that happened to him or his team during the '57-'58 season. Since Tennis, Swimming, Baseball and Track are not completed until after the book goes to press, there may be more exciting events turn up in these sports before the end of the season. However, these are the events cited by the coaches to date.

**Roy Vujovich**, Varsity Football — The Muir game where we came from a 20-0 deficit in the first quarter to within 2 points of winning in the last quarter.

**Ranier DeMandel**, Swimming — The Beverly Hills Invitational when Bob Moulton took first, Jim Baugh took second, and Ralph Powers took fifth in the 400 yd. free style.

**Ted Andrews**, Varsity and B Swimming — The second B meet against Burroughs. However, the 9-0 record of both teams overshadows any individual event or incident.

**Leo Arranaga**, B Football, J.V. Baseball — The second half of the Hoover B football game when we were behind 6-13 and came back to win the game (25-13) and the Foothill League. Baseball — This year's J.V. crop is one of the best in years.

**Ed Goorjian**, B Basketball — Beating Hoover three times — once in the Bee Foothill Tournament and twice in the league play.

**Gene Haas**, Varsity Basketball, Tennis — Beating Hoover the first time when they were on top of the league and we were on the bottom and beating them the second time to give us the League Championship. Tennis — We're unbeaten!

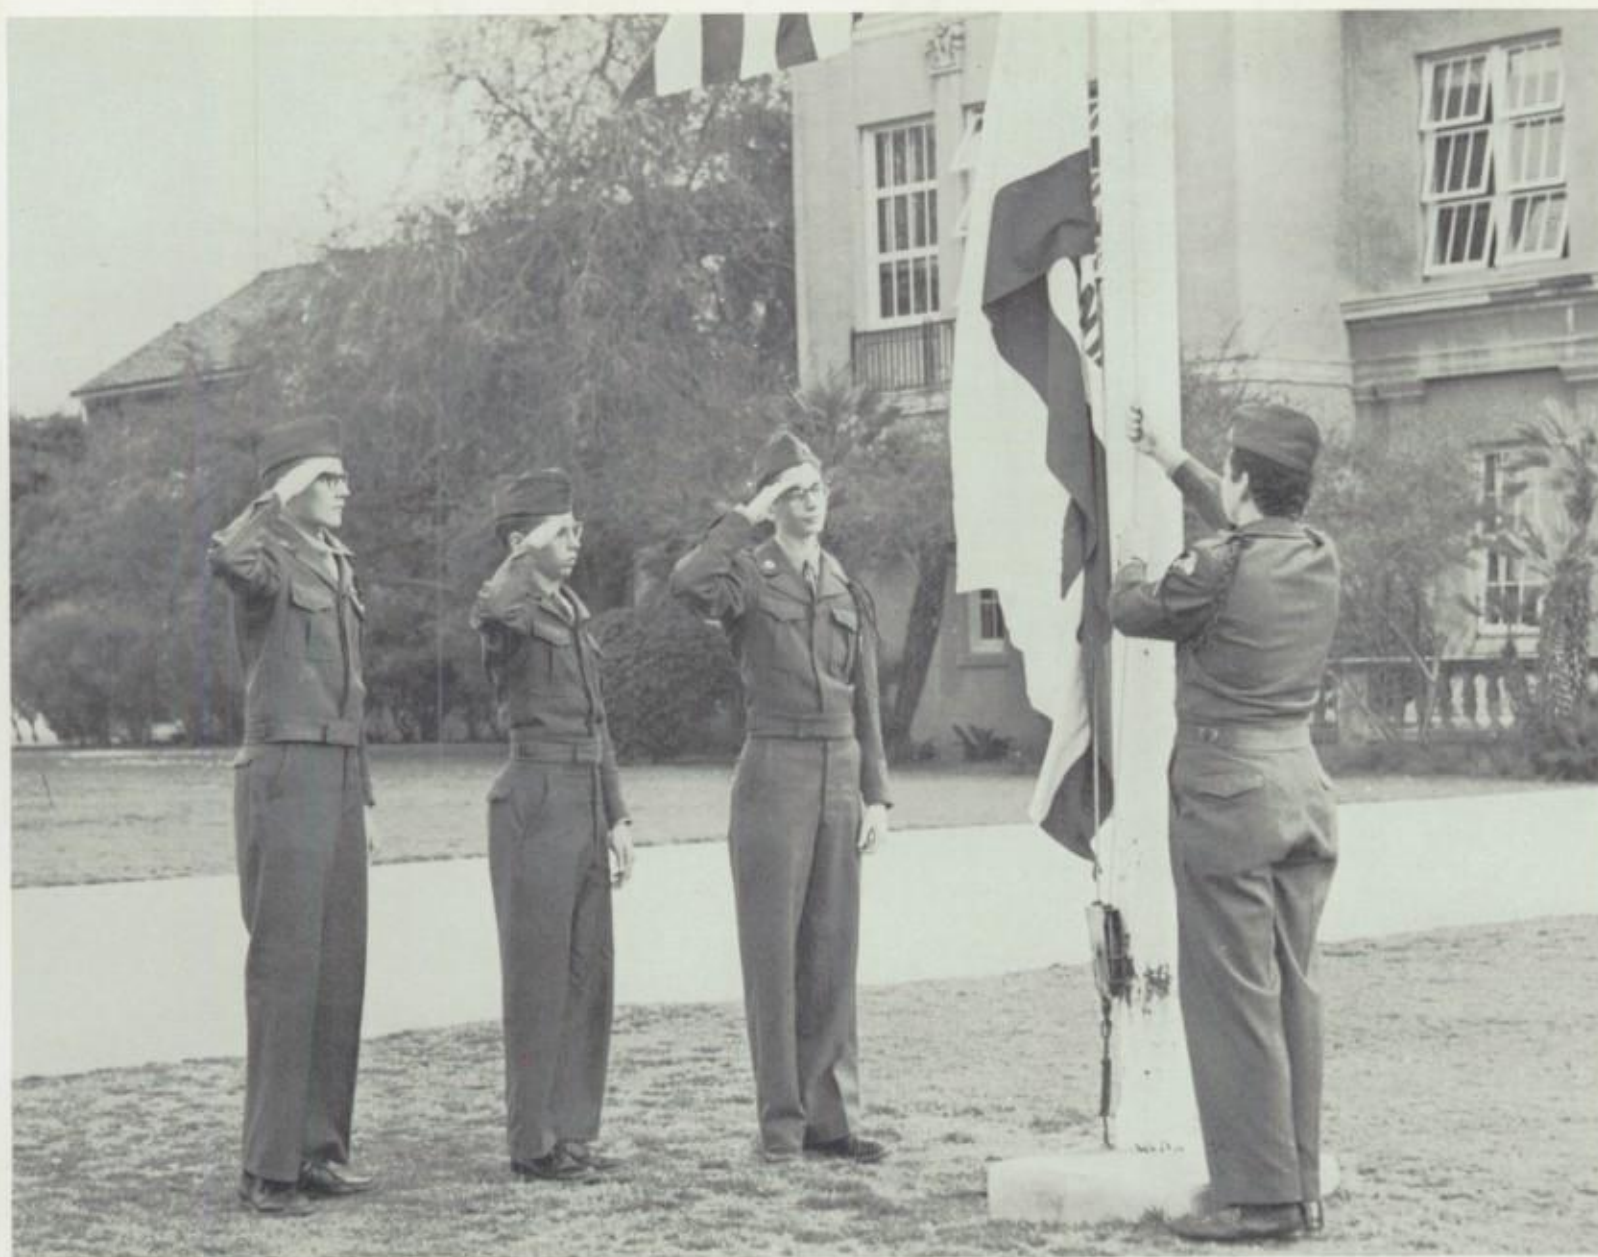

**Lon Graf**, Track — Seeing Bob Johnson tie Hoover's John Rose in the pole vault at 13' 4 3/4" at the Pasadena Games.

**Bill Gelsinger**, Varsity Baseball — Seeing sophomore Don Hagen step in to take over a sick Darrell Sutherland's pitching position on the team in a game, in a league where sophomores seldom pitch.

**Byron Melendy, Robert DeMoss, and Ronald Berkon** stand at attention as **Fred Rosenberg** raises the flag. The R.O.T.C. performs this task every morning.

## Reserve Officers' Training Corps

The Reserve Officers Training Corps, one of the many elective courses offered at Glendale High, is becoming more popular each year. Presently there are one hundred and thirty cadets enrolled in the R.O.T.C. This program helps young men to better adjust themselves to the adult life of living and working with others that all must lead after graduation.

The basic courses taught during a three year period in this subject include: First Aid, Map and Compass Reading, Leadership Training, Tactics, basic drill and manual of arms, care and maintenance of weapons, general instructions of all weapons used by the ground forces, and a knowledge of all other branches of the Armed Forces.

Extra-curricular activities are also offered to the members. A three day Navy cruise, a visit to El Torro Marine Base, a three day visit to Fort MacArthur, a Military Ball, and an inspection of an Air Force Base, are a few of the things promoted by the R.O.T.C.

A familiar sight to all R.O.T.C. cadets are, from left to right, Major **Henry Jordon**, Sergeant **George Lee**, M/Sgt. **William Turkish**, and M/Sgt. **James Rupert**, who supervise the cadets' training.

Captain **Dennis Gillum**, head of the Parking lot detail, looks on with Captain **Stan Rouse** as **Tom Cass**, **Robert DeMoss**, and **Sam Salsbury** aid in the student parking lot. The R.O.T.C. also helps to direct and park cars at home football games held at Glendale High School.

Many awards have been taken by Glendale High's Rifle Team, both in city and state wide competition. Varsity letters are awarded to the top five scorers each year. The members of the team shown above are, left to right: **Jerry Holm**, **John Streetmaker**, Captain **Charles Bozza**, and **Byron Melendy**.

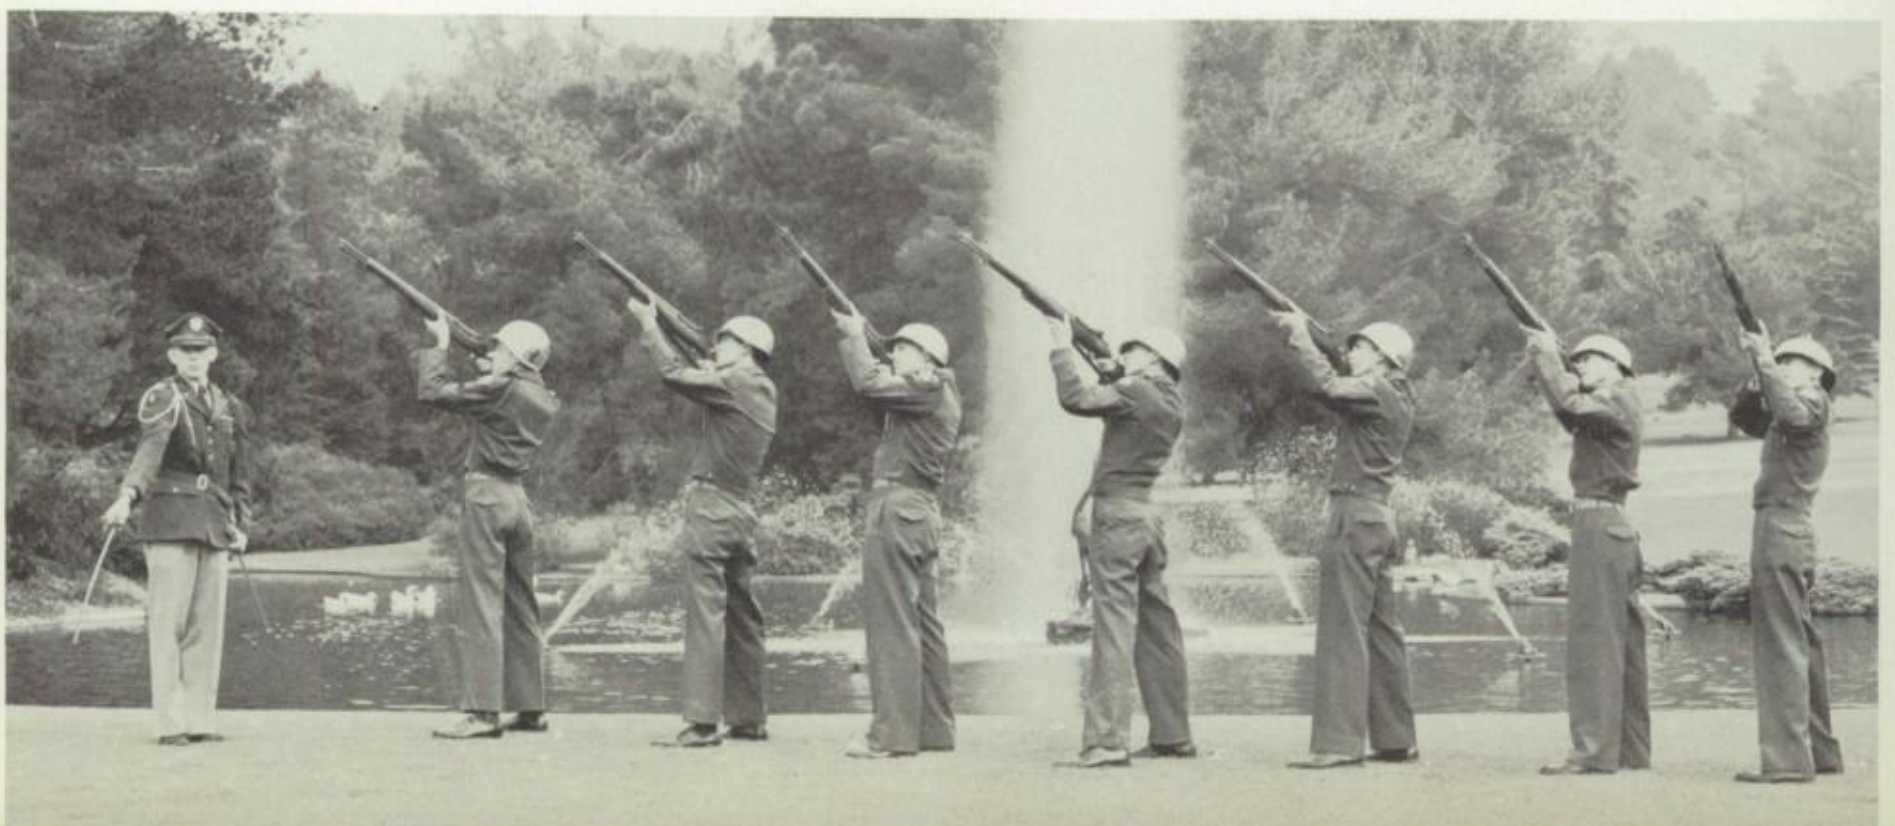

In charge of all R.O.T.C. cadets and Commanding Officer at Glendale High is Lieutenant Colonel **Robert Penland** (center). Second in command is Major **Kenneth Van Wormer** (left). The Battalion Co-ordinator of Companies A and B is Captain **Charles Bozza** (right).

Twice a week, classes are held in R.O.T.C. The above class, being conducted by Sgt. Lee is on the M-1 Carbine Rifle. Throughout the year, classes are held on weapons, first aid, map reading, tactics, and many other subjects dealing with the army.

The Military Ball, an annual event for all Glendale and Hoover R.O.T.C. members, was held at the American Legion Hall this year. An enchanted evening was had by all who attended.

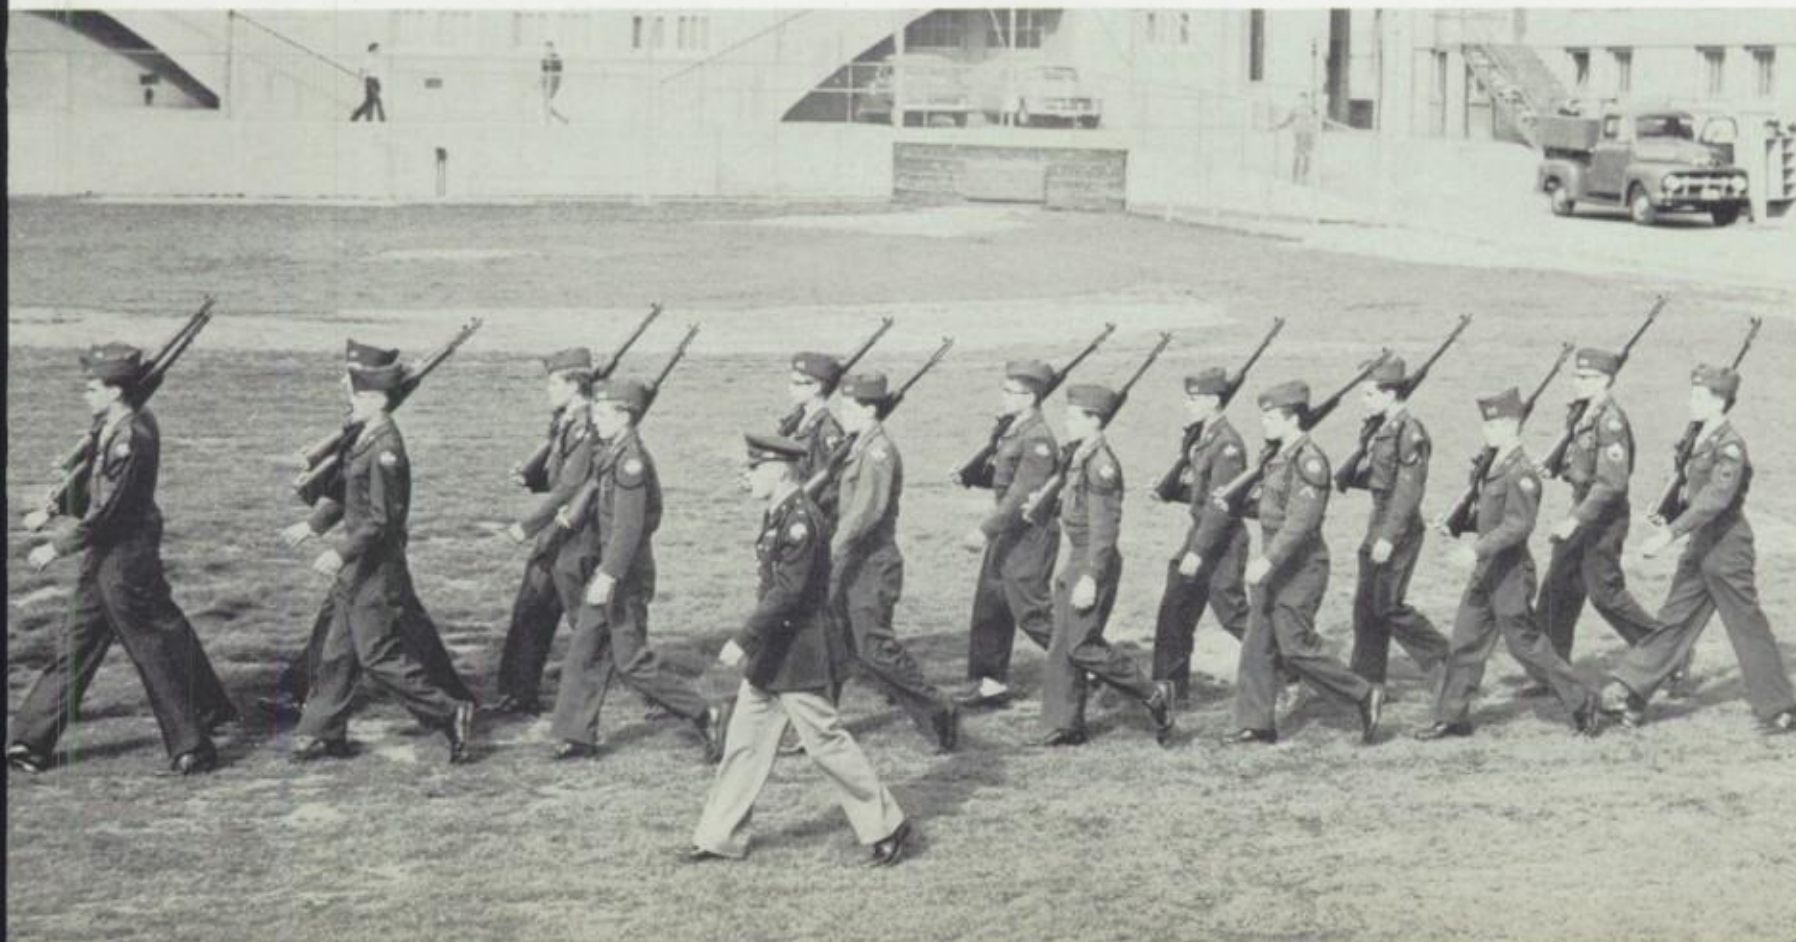

Thursday, inspection day finds Lieutenant Colonel **Robert Pentland** inspecting Cadet **Gary Nelson**.

An early morning inspection at Fort MacArthur is conducted by Lieutenant Colonel **Robert Penland** and Captain **Bowl of Hoover**. Being inspected is Cadet **Gary Nelson**, with Cadet **Chris Goff** next in line. The Fort MacArthur trip is one of the many field trips held by the R.O.T.C.

The **Girls' Athletic Association** is an important factor in gaining new friends and experiences for Glendale girls. It is an association of the varied sport clubs, such as volleyball, baseball, and archery. Sixth period gymn is reserved for those girls who wish GAA membership and meet the requirements of staying after school once a week and maintaining a grade of "A" or "B" in both posture and gymn. Since not all girls can meet the requirements or arrange their programs for sixth period gym, the after-school sport clubs are open to all.

Sandy - It's been swell  
 having you as a Chem.

 Have a great summer and  
 I'll see you next year.

All good things must come to an end and the 1958 Stylus is no exception. But before we close I would like to thank the numerous people who assisted and helped our staff in its many tasks. First to **Mickey** and **Burt** of Dunlap-Turney for the beautiful job done on the senior portraits. Thank you fellas! I am indebted to "**Yearbooks, Incorporated**" for answering our million and one questions and for putting up with the many changes in layout and copy. Behind every editor there is an advisor and to the most advisable advisor, **Mr. W. B. Graham** many thanks. To all the faculty and administration who understood and co-operated with our sometimes un-convenient schedule, "pedagogues merci." Behind the scenes of this production lurked several unthanked humanitarians. The one who will remain first and foremost in my mind is **Newtie**, the Madonna of the switch board, who knew just where to find everyone and every thing. Also to **Nick** the custodian who cleaned up our abominable mess in room 311 every night. My special thanks goes to **Linda Kunka** who co-edited with me first semester. Not to overlook the photographers and lab assistants who put in many extra hours. Finally to the staff, thanks "group" you were great! It has been my task, nightmare and delight editing your annual and I hope that it will be your pleasure now and in the years to come reading it, thumbing through it and enjoying it.

SANDY:

Be good this summer  
 and don't flirt too much
